Nancy,

Boy, if I thought this year was fun, I haven't seen anything yet, according to what's going to happen next year. Next year is going to be great, with Tornadoes and everything. I'm super happy you made it. We are going to have a lot of fun.

Remember the fun, we've had in American Lit. I hope we get at least one class together next year!

Nancy, you are one heck of a friend, I'm glad we met this year, so now we have the whole High School years.

Be good, and stay as sweet and sincere as you are now.

Tracey And Tyson Were CHS' Best

In recognition of their outstanding contributions to their school, Tracey Reeder and Tyson Sever were chosen Mr. and Miss CHS for 1971.

From the twelve Key Club calendar girls, Tracey, Miss December, was the girl with the most student votes. In both her junior and senior years, Tracey was elected to the Homecoming Court. She has been the Tornadoette captain for two years and received the 1970 Tornadoette Girl of the Year award. A member of Student Council for three years, Tracey was recording secretary this year.

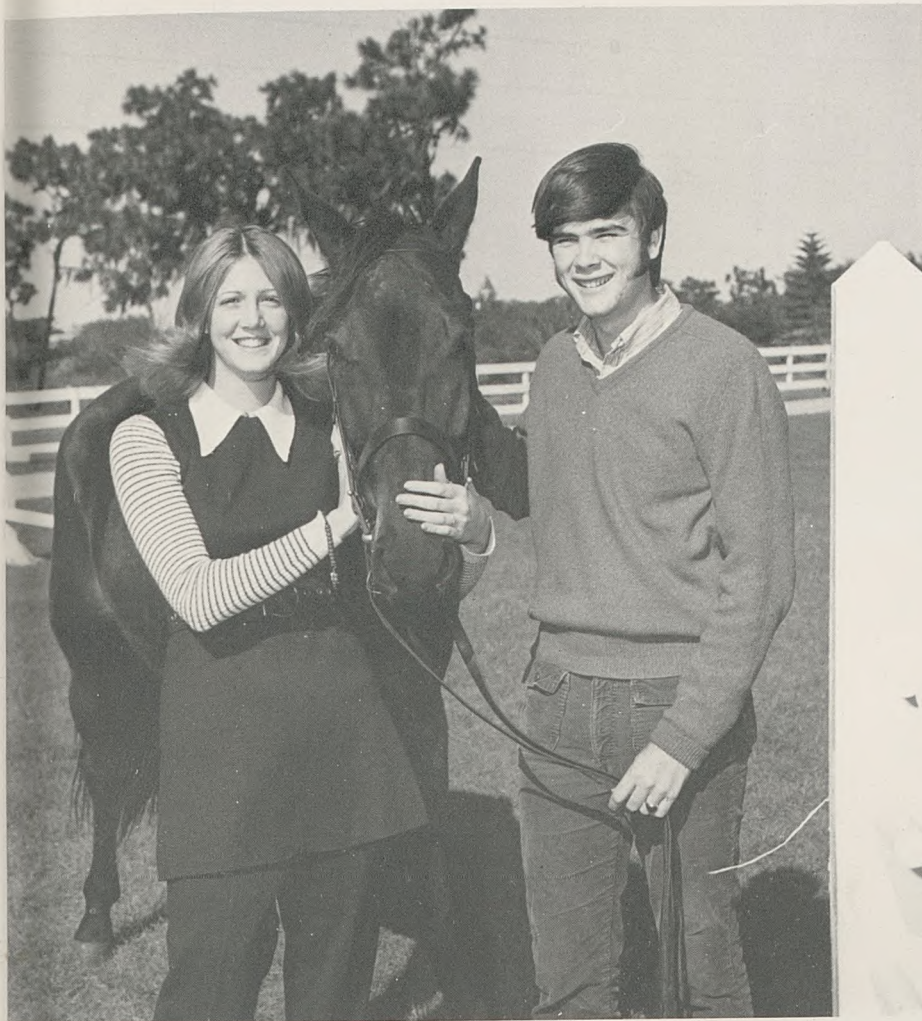

Chosen by the student body from the list of Keyette nominees, Tyson has been a top athlete throughout his three years at CHS. Active on the varsity football team since a sophomore, Tyson served as the team's captain this year. Tyson, Citizen of the Month for September and on the Key Club calendar for September, also participated in baseball, basketball, and track.

Nature's Beauties Graced The Seasons

Once again the Key Club sponsored the calendar couples. The members nominated 24 girls, posted their pictures in the main office and had the student body pick their favorite dozen. Following last year's innovation, the Key Club boys paired off with the chosen calendar beauties. The twelve couples then represented the school and the student body in the 1971 Key Club Calendar.

Hall Of Fame Immortalized Outstanding

Nominated by a special faculty committee, and selected by the entire faculty, the Hall of Fame was composed of ten seniors. These students were recognized for their outstanding contributions to the school in their three years at CHS. The 1971 Hall of Fame exemplified the very finest in CHS seniors.

Roses And Ribbons

Character, scholarship, leadership, and service were qualities manifested by the National Honor Society members. Due to a policy of fewer assemblies, NHS inducted new members during the second period class. Surprised inductees were greeted with roses, ribbons, and formal invitations. During the after-school tea, the new members signed the official roster. The club revamped its constitution, attended the spring district convention, assisted the Student Council with the first dance of the year, offered a tutoring service, and honored its seniors at a banquet and in the graduation programs.

Hard working journalists were honored with invitations to join the Edna North Knapp Chapter of Quill and Scroll. Inductees were selected from exceptional students from all three publication staffs. New members received an induction breakfast membership pins and cards and an annual subscription to the national Quill and Scroll magazine. The club sponsored a car for homecoming, a publications' picture sale and a coke party following the yearbook distribution.

(above) Barb Schreiner and Lynn McCorkle interest Scott Stevens in supporting the picture sale. (right) President Lynn McCorkle discusses plans for the breakfast.

Honored Students Were Recognized

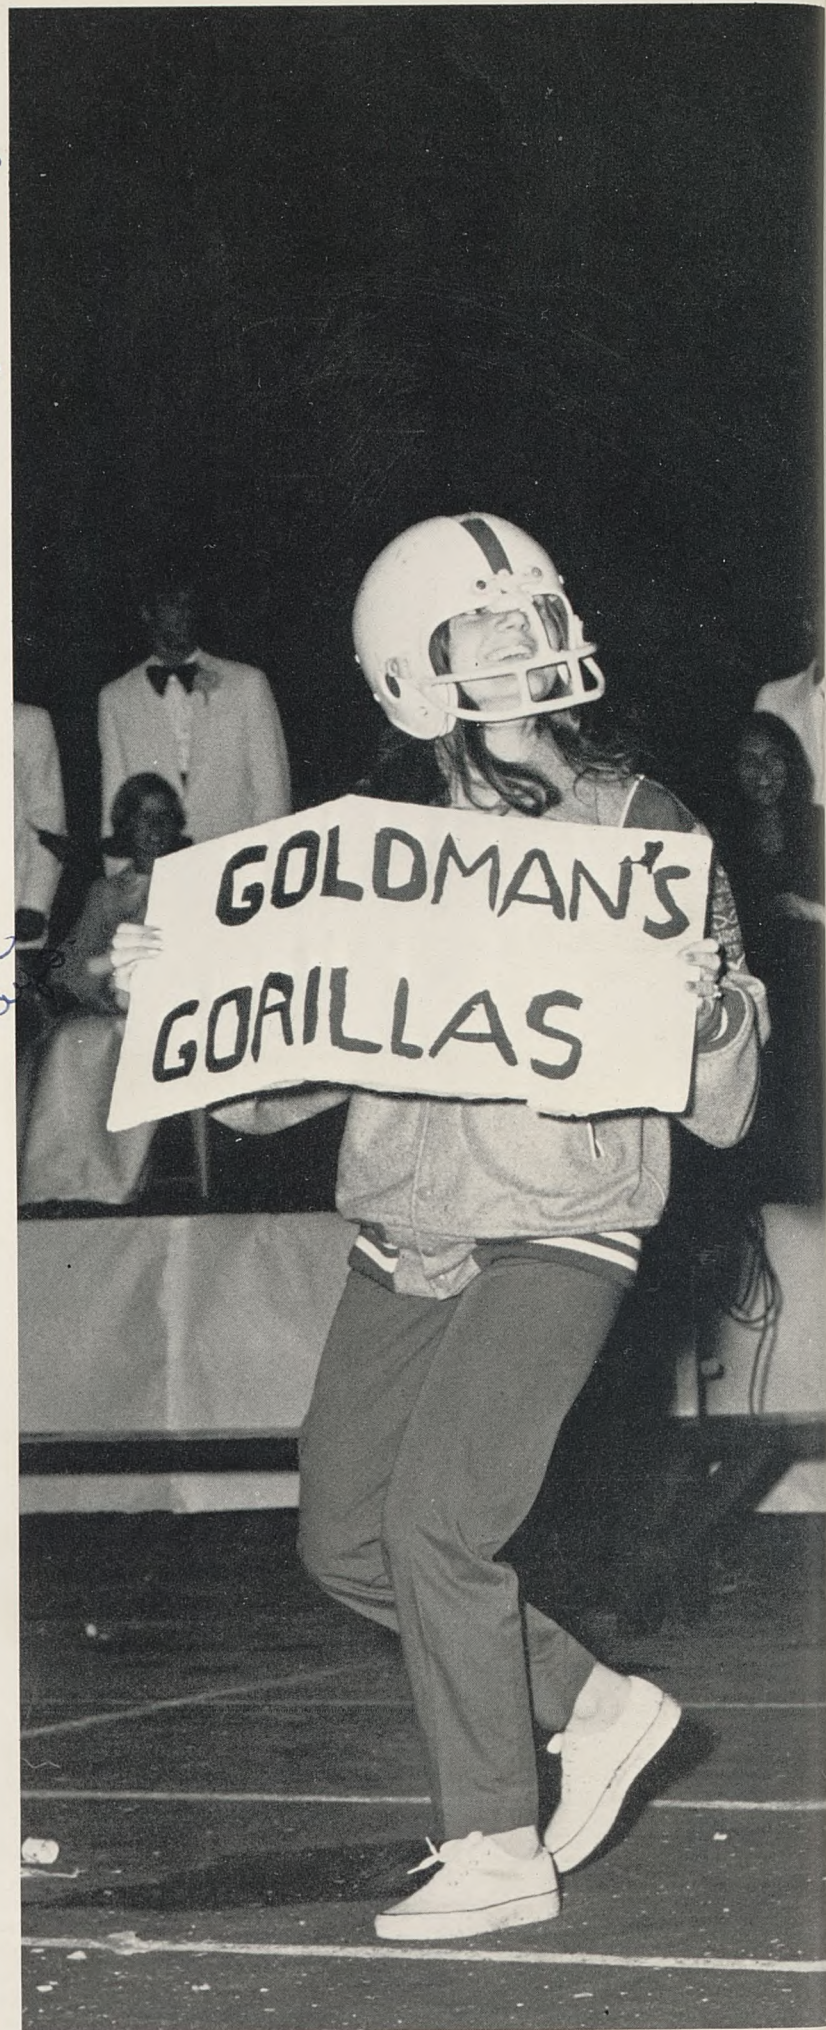

Throughout the year CHS students were chosen for school, community, and national recognition. Nine exceptional seniors participated in a new independent study program. Monthly, prominent seniors were selected for the Kiwanis Citizen of the Month Awards. Various community service clubs sponsored oratorical and essay contests in which CHS students were victorious. In addition, many students were recognized for their outstanding work in the areas of citizenship, scholarship, practical skills, and creative talents.

Homecoming 1970: Fun And Excitement

Homecoming Week 1970 brought fun and work for both students and teachers. Activities started off with the Senior Workday Committee Car Bash. Thursday night's Tornado Tales featured club skits, class floats, guest emcees Batman and Robin, and the crowning of Homecoming Queen Joyce Gidel. The Homecoming Parade through downtown Clearwater Friday afternoon was followed by the football game that night. St. Petersburg's Green Devils fell to the mighty Tornadoes 28-8. Queen Joyce and her court reigned at the game and presided again at the dance held in the gym on Saturday night. Thus the excitement of Homecoming 1970 was brought to a close.

Exchange Students Found Friendship

María Elena Llanos of Chile and Zlatan Hadzalic of Yugoslavia were two of CHS' foreign exchange students. They were here for the entire school year under the American Field Service Program. María stayed with the John T. R. Davis family. Zlatan first stayed with Mr. and Mrs. Bill Sherret and later with Don Nodine and his family. Chris Scholz from Burghausen, Germany stayed in Clearwater with Gordon Benson's family. Luis LaRocca, sponsored by the Rotary International Club, was the exchange student from Buenos Aires, Argentina. Luis also spent a full year in the United States.

Students Welcomed Nixon To Bayfront

Politics played a large part in student activities this year. A new party was put in the governor and senator seats, and area political groups helped teens to become involved in government. For the first time in history, a president visited Pinellas County. Students were permitted to leave school to see and hear President Nixon at the Bayfront Center. Concerned teens were encouraged by the passage of the law allowing eighteen-year olds to vote in national elections.

Rock Concerts Were Presented To Area Youth

Many rock groups and individual singers presented concerts in the bay area. These shows, held at the Bay-front Center in St. Petersburg, at Ft. Homer Hesterly Armory in Tampa, and at Curtis Hixon Convention Hall in Tampa, were attended by large youth audiences including many local students. Some of the bands which came to the area were Chicago, the Temptations, the Supremes, Jethro Tull, Jefferson Airplane, Mountain, Three Dog Night, Blood, Sweat, and Tears and Iron Butterfly. Individual performers included Jose Feliciano, Dionne Warwick, and Elvis Presley.

Assemblies Broke The Daily Grind

A variety of assemblies were presented to the student body during the year. Sgt. Gary Kooshian of the Clearwater Police Dept. presented a program on drug abuse. In December three prisoners from Raiford, on a tour of Florida schools, spoke to students about mistakes they had made which led to terms in the Florida State Prison. An assembly of Christmas music was presented by the band and chorus. The AFS club held a panel discussion with the exchange students, giving our students a chance to become better acquainted with them. Two assemblies were exclusively for seniors. One program informed them about graduation announcements and senior keys, and in May, Mr. and Miss CHS and Hall of Fame were announced at a special yearbook distribution assembly.

(left) Graduation and "senioritis" take over as the Josten's announcements assembly is presented. (top left) Maria Llanos and Zlatan Hadzalic talk about their countries in a panel discussion with Kim McNamara and Ken Jopling.

Castles And Queens Made Camelot

"Camelot" was the theme for the annual Sweetheart Dance held at the YWCA on February 13, 1971. The Y was decorated with a silver castle, love seats, a pond, moats, flowers, and stars. Mr. Don Chamberlain, guest emcee, presented this year's Sweetheart Court. Sophomores on the court were Pam Lopez escorted by Tom Bissonnette and Sherry Zablocki with Chip Tolland; juniors were Peggy Meese with Ken Jopling and Eileen Murray with Richard Whalen; seniors were Wendy Williams accompanied by Mark Futch and Susan Mease with Steve Crawford. Beth McMullen, escorted by Jim Johnson, was crowned queen. Music was provided by "The Friends."

Council Restructured Student Government

Student Council turned 1971 into an activist year. For the first part of the year, the club concentrated on filling its treasury. Members co-sponsored a dance with NHS, held a five-station car wash, and ran the first road rally of the year. After earning the money, the club proceeded to spend it. Besides having a breakfast, Student Council donated \$50 to the AFS fund drive, gave \$40 to NFL and offered many other clubs the opportunity to ask for funds. Members took complete charge of Tornado Tales and finished their activities by writing a new student handbook and restructuring the student government by drafting a new constitution. Mr. Frank Black was the advisor.

Senate Members Promoted Activities, Demoted Apathy

This year's Senate, with over 80 members, became an active participant in school life. Presided over by Dan Mirabella, the Senate sponsored the Homecoming Dance, and the Christmas Cheer program. With second semester came the "Walk for Mankind" program. Students were invited to walk the 21-mile course, with sponsors paying for each mile they walked. Money turned over to the Jaycees was used for aiding the underprivileged.

Interact Pushed Peanuts For AFS

Another new club for CHS this year was Interact, sponsored by the Rotary Club. After a rush for members, their first project was the "peanut push" — 10¢ an inch, \$1.00 a foot — to earn money for the AFS drive. Other activities included participating in the "Walk for Mankind," contributions to the Morton Plant Hospital Fund and to the new club patio to be built between the auditorium and the cafeteria. Mr. Don Prokes organized and sponsored the club.

(top left) David Tetrault, Bruce Gibson, David Futch, and Steve Perry sit out their time.

Concern For Ecology Spawned Two New Clubs

CHS's new garden club, the Grassroots, fulfilled their goal of learning more about horticulture and landscaping. Their project of beautifying the school through planned landscaping was enthusiastically carried out.

The Conservation Club informed the students and community about what is needed to solve pollution problems. They visited a sewage treatment plant and distributed voting information on conservation amendments.

Jay-B-Ettes Decorated Children's Ward

Jay-B-Ettes, a service club associated with Jaycettes, provided many community services this year. Some of their Christmas activities included decorating the pediatric ward at Morton Plant Hospital, donating a Christmas Basket to the Salvation Army, and caroling. The club held a car wash, donated to the AFS fund drive, and planned to adopt an orphan overseas.

Tri-Hi-Y And

Hi-Y Members Contributed To Community

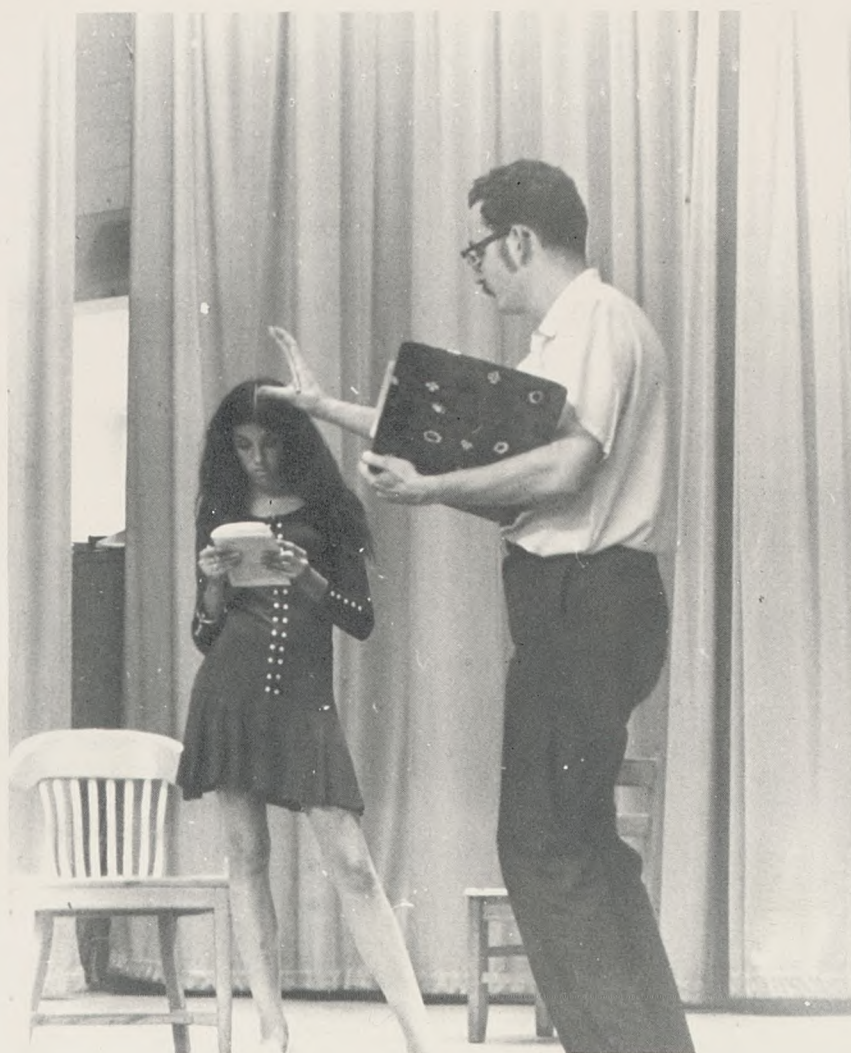

Tri-Hi-Y and Hi-Y were involved in many community service activities throughout the year. The annual project of the year was the Tri-Hi-Y powderpuff basketball game against Largo. Cheering the team to victory were the Hi-Y boys. Admission to the athletic event was one can of food which went to needy families for Thanksgiving. Hi-Y members served dinner at a YMCA membership drive banquet in Clearwater's Sunshine Mall and contributed significantly to one of the best campouts the Gray-Y youngsters ever had. The foreign exchange students accompanied members to the circus at the Bayfront Center. Early in the year five hot-line speakers addressed the clubs on the problems of drugs. Members of both clubs attended the Youth Legislature in Tallahassee during February.

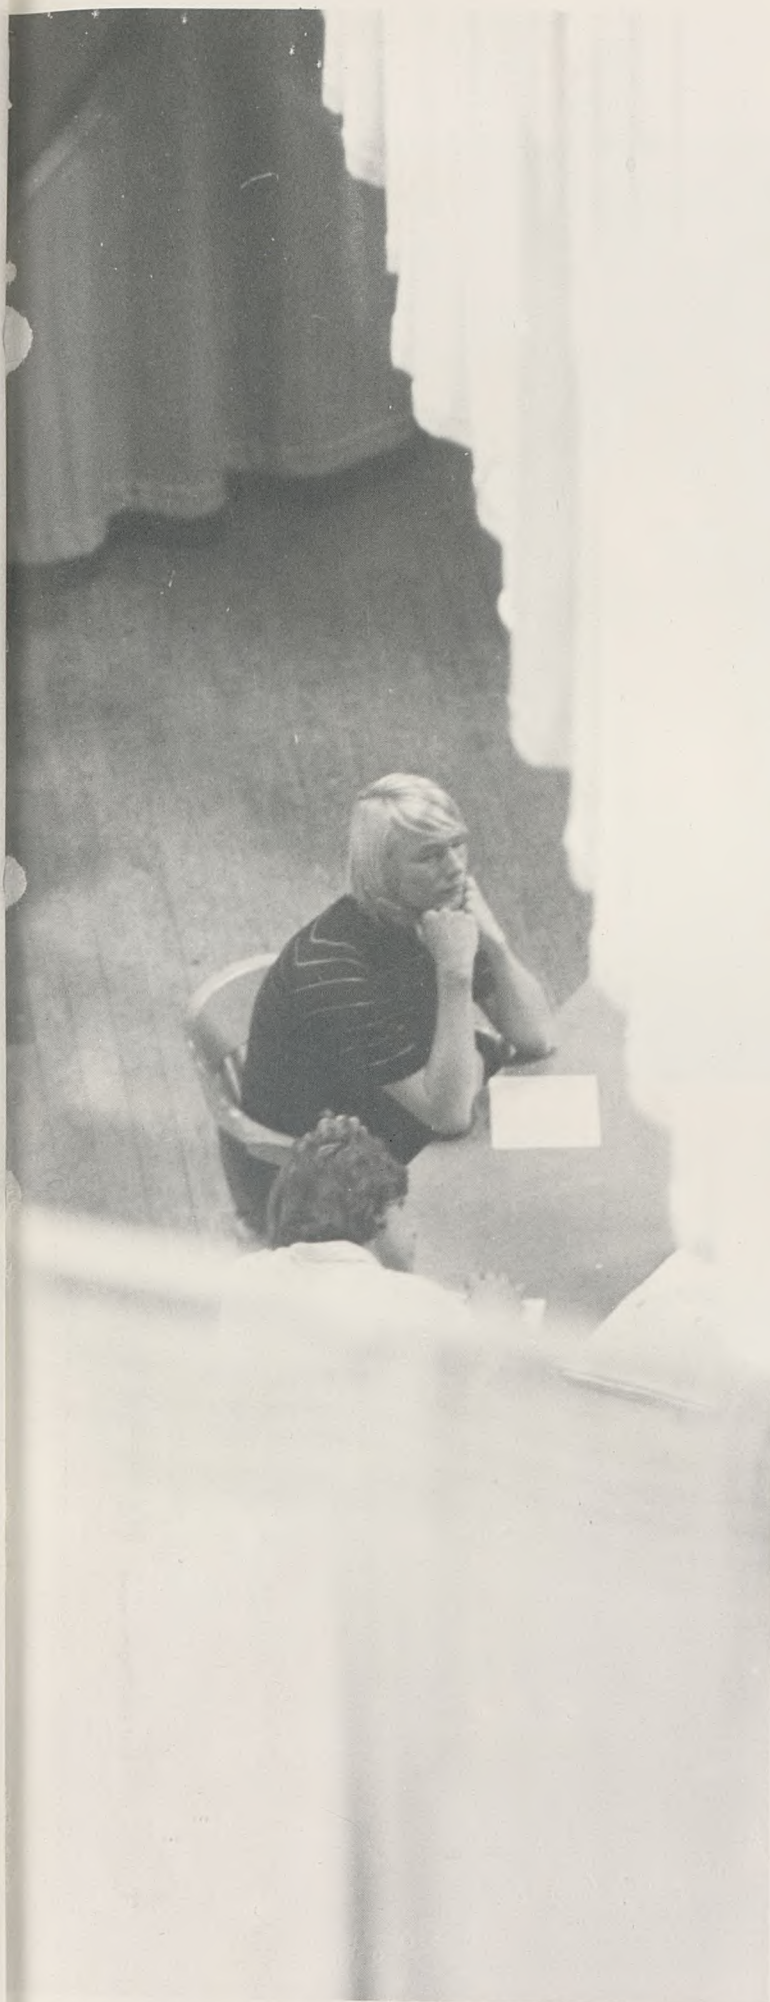

(front row — from left) Jeff Harrison, Don Turner, Gerry Smither, David Berghion. (back row) Guy Chevallier, Lee Patouillet, Phillip Poole, Mark Mod, Arthur Newsom, Tom Dance, Woody Woodward.

Dramatists Staged Six Productions

Clearwater High's own theatrical group, Masque and Gavel, presented the school's dramatic productions. Under the guidance of "Coach" Philip Morron, students learned techniques in acting, makeup, and directing. In November, the club produced five one-act plays, which were given two nights each. "The Monkey's Paw," "The Lottery" and "How to Propose" alternated with "Mimsy Were The Borogoves" and "The Valiant." All were directed by drama students. Masque and Gavel also competed in the District Thespian Festival with another one-act play, "Goodbye To The Clown." The contest was held at Lakewood High in late February.

Key Club Promoted Downtown Cleanup

The Key Club, sponsored by Mr. Ivan Werkhiser, initiated many school and community projects. The members accomplished their goal of service by participating in the Kiwanis "Take It Away Day." They distributed posters promoting the beautification of downtown Clearwater, held a basketball game with the Largo Key Club, donating the proceeds to the March of Dimes. Their money making projects included selling the traditional Key Club Calendars and sponsoring a unique lightbulb sale.

Highlighted Year Keyette Kidnap

Ten new seniors and twenty new juniors were tapped for Keyettes in September, receiving a carnation and key during their first period class. Then, at 5:30 A.M. one Saturday, twenty sleepy old members cheerfully awakened thirty sleeper new members for a "come-as-you-are" breakfast at Mindy Siegel's house. Basically a service club, the girls supported a needy family at Thanksgiving, visited a nursing home at Christmas and sponsored the door contest for the Largo game. They also produced an award-winning Homecoming skit, ran the Marryin' Sam booth at Sadie Hawkins, and nominated Mr. CHS and the senior superlatives.

AFS Strove For Brotherhood

The American Field Service club worked hard to carry out their motto: "Walk together, talk together, all ye peoples of the earth. Then and only then can there be peace." AFS helped the exchange students, Maria and Zlatan, to feel at home at CHS. In August, the exchange students were welcomed at Tampa Airport and a birthday party was given for Maria. New members were added to the roll in the fall membership drive and a car was entered in the Homecoming Parade. Presents were given to Maria and Zlatan at a Christmas party. Additional club projects included a hoagie sale and the AFS Fund Drive, with competition between homerooms and with Largo High. In February the exchange students spoke about their native countries in an assembly program. At the end of the year the area AFS students were honored at the Beta Sigma Phi Banquet.

Mu Alpha Theta Explored Math

Mu Alpha Theta reunited under the direction of Mr. Carl Egolf and Mr. Martin Stanton. In the club setting, students were able to work with mathematics more informally than in the classroom. They could work independently, exploring topics in math that they want to pursue. These fields were often more advanced than ordinary high school mathematics courses. Mu Alpha Theta was open to all math students.

C Club Contributed To Scholarship Fund

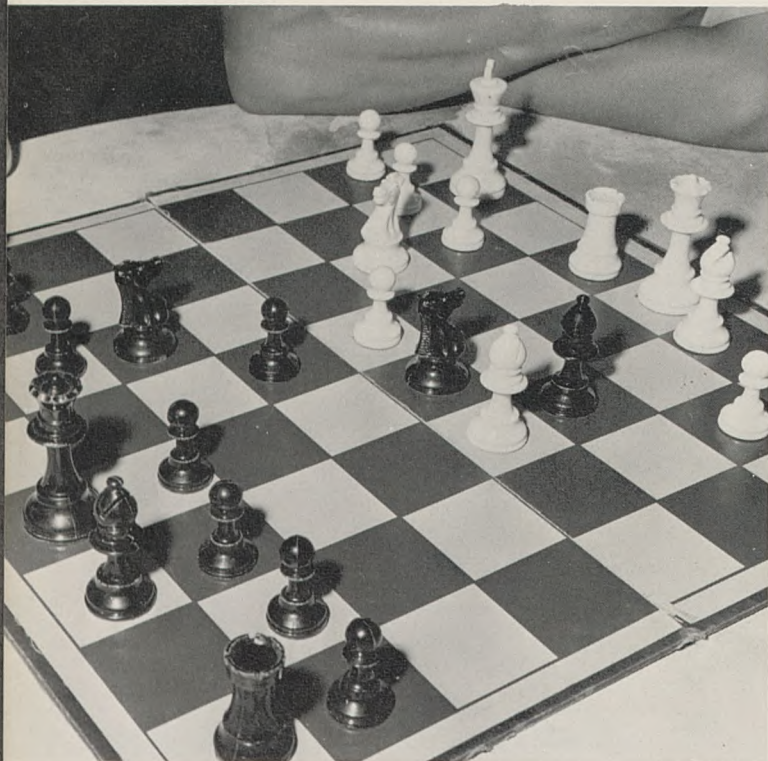

The C Club was open to all students who lettered in a varsity sport. Two dollars purchased a membership card which entitled members to free admittance to all home athletic events. They helped with Senior Class Workday by contributing to the Frank Russell Memorial Scholarship Fund. Coach Earle Brown was the club sponsor.

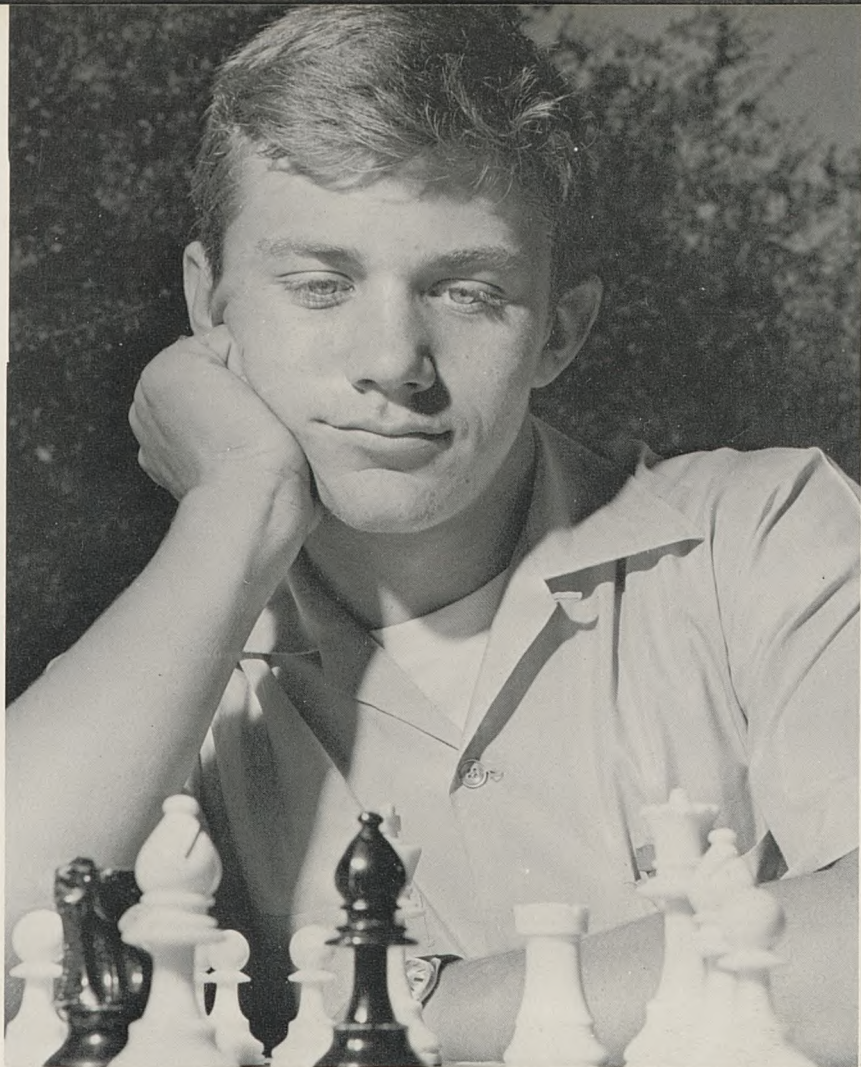

(front row — from left) Mike Brogan, Al Franza, Barry Ward, David Harshfield, Tom Fleischer, Jim Karay, Stephanie Wood, Arvid Olson. CHS Chess Club Held Competition

Students interested in chess joined the CHS Chess Club. Activities included various tournaments and intramural matches, and also an exhibition game with the Florida state chess champion. Club sponsor was Mr. George Carswell, a math teacher who was also a Florida state champion. Mike Brannick was club president.

Library Club Boosted Tornado Pride

Selling pep ribbons during football and basketball seasons was just one of the ways the Library Club contributed to school spirit. The ribbons urged the teams to "Deck the Devils," "Glue the Gladiators," and "Ruff Up the Packers." One of their biggest projects was the annual Book Fair held in the spring. Students had the opportunity to buy paperbacks ranging from UFO's to calculus. Leading the Library Club as president was junior Elizabeth Greene. School librarians Mrs. Mary Lou Knight and Mrs. Helen MacKay served as club advisors.

French Club Presented European Cuisine

Les Esprits Gais got into the swing of the new year with a fund-raising project, a profitable car wash. Club members met during activity period and at the homes of members. They brought French dishes for a typical European dinner. French Club also took part in the Homecoming festivities, entering a car in the parade. A French-style banquet was held at the end of the year. Mr. Allain Rimar was the club sponsor.

German Club Took First Place

Taking first place in the Homecoming Parade with a theme of "Mug the Devils" was one of the big accomplishments of the German Club this year. Other activities of the club included an end of the year banquet, a donut sale, and a car wash. Die Gluckliche Schornsteinfeger, the Lucky Chimneysweeps, also had guest speakers including Chris Scholz, a Youth For Understanding exchange student from Germany and foreign students from area schools.

Los Gauchos Sponsored Pickle Sale

Los Gauchos started the year out on top. "Level the Devils" was the slogan for their first prize Homecoming car. Dressed in Spanish apparel, club officers and Luis LaRocca, Rotary Exchange student from Argentina, rode on the car. Spanish club members didn't settle for the run-of-the-mill donut sale; they wanted to try something unique. CHS's first pickle sale was very successful. Other activities included picnics, parties, and the end-of-the-year banquet. Sponsoring Los Gauchos were Mr. Barry Wright and Mrs. Mabel Gill.

Inter Nos Members Attended Forums

A skit in Tornado Tales marked the beginning of Inter Nos activities. During the winter, Latin Club sold coffee and cookies to night classes at CHS. Club members also attended the District Latin Forum in March and the State Latin Forum in Panama City in April, where they entered oration, history, costume, and custom contests. Inter Nos was sponsored by Mrs. Marjorie Kann and Mrs. Inez Barker this year.

ICYC Rapped With Student Views

Each year the Inter-Church Youth Council seeks to find the true meaning of religion and how it relates to the youth of today. ICYC helped to promote a spirit of friendship among the students throughout the school year. Early in the second semester, the club held a "rap" session, giving all students a chance to express their views on a variety of subjects.

Marine Biology Did Sea Research

Students having an interest in marine sciences were invited to join the Marine Biology Club. Field trips were a major item on the club's agenda, with members visiting the Shark Research Center in Sarasota, marine labs and facilities at the University of South Florida, and the Aquatarium in St. Petersburg. On many weekends the club gathered specimens at local beaches to form a club collection of marine life. Experts spoke and showed films at the meetings. The club, under the direction of Mr. Robert Gliha, also had fund-raising projects to buy new equipment.

Biology Students Explored Life

Under the direction of Mr. William Blyshak and Miss Christine Hall, the Biology Club worked on several projects. They held meetings twice monthly during the newly organized activity period. Members collected biological specimens which were used in laboratory practice and displayed in terrariums and aquariums.

Para Med Pursued Careers In Medicine

Para Med Club, with the new statewide name of Health Careers Club, studied all areas of the medical profession. Guest speakers included Mrs. Carol Toscani, a nurse from the ship SS Hope. Members volunteered in many sections of Morton Plant Hospital. On Halloween they sold insurance promising a clean-up job for trick-or-treat pranks. In December the club sponsored a bagel sale. During the Christmas holidays, Para Med held a party for underprivileged children in an orphanage. Other activities included a district and a statewide convention. Mrs. Helen Wilcox and Mr. Ned Frisbie were advisors.

Doughnut Sale Sent NFL To Forum

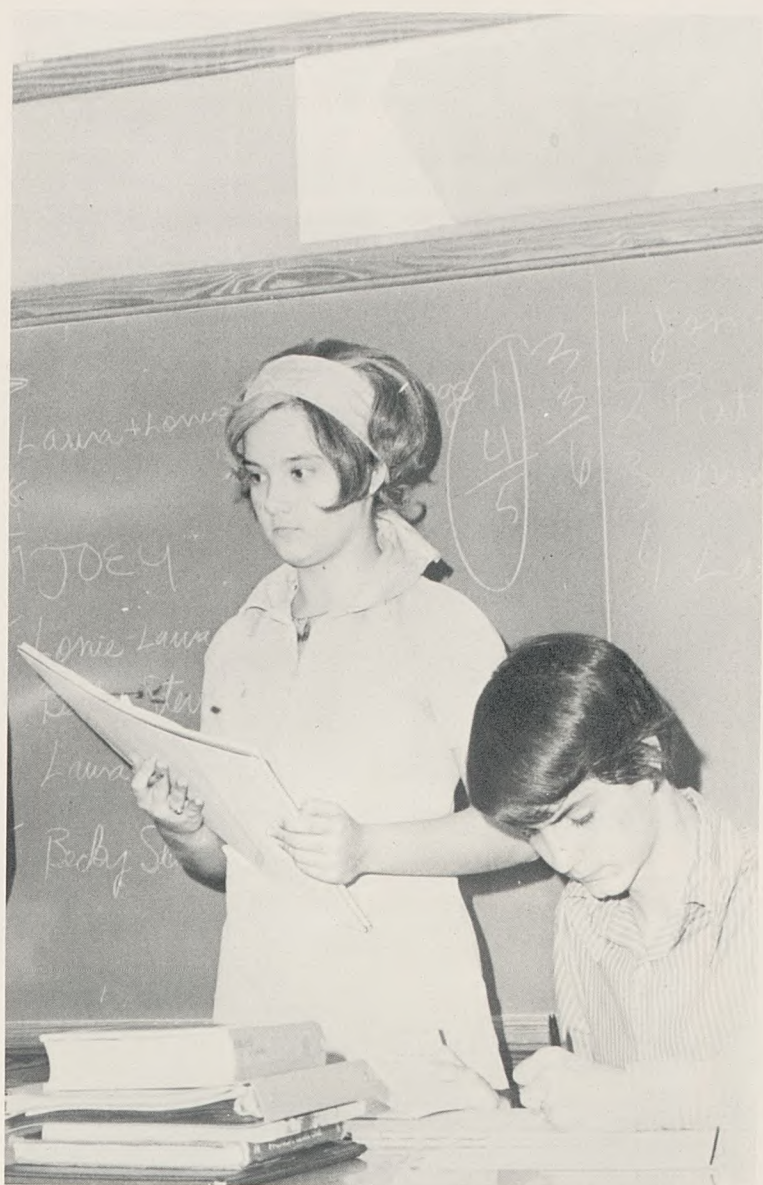

The National Forensic League worked in cooperation with Mr. Robert Michaels and the Speech Department. NFL activities included competition in debate, interpretation, extemporaneous speaking, and original oratory. Members of NFL participated in the Miami Beach Forensic Festival, where Perry Pray won first place in dramatic interpretation. Through doughnut sales and other projects they raised money to travel to a forum at Emory University in Atlanta. In addition to hosting a tournament at Thanksgiving, NFL also competed in the Riverview tournament in Sarasota and at NFL State in Orlando.

CBE Obtained FBLA Charter Membership

Students enrolled in the Cooperative Business Education classes were also members of the CBE club. The club obtained a membership charter in FBLA, Future Business Leaders Association. Luncheons were held every six weeks, including a special Christmas luncheon. CBE members entered contests and conferences on business leadership, on district and state levels. Mrs. Marjorie Jones and Miss Clegg Miller doubled as the club's sponsors.

DE Students Starred In Sales

Again this year, the Distributive Education program was divided in two groups because of the large enrollment. The club sponsored projects related to business and salesmanship. Both clubs cooperated in their activities, but met in separate classrooms. Mrs. Ruth Pope sponsored one club, and Mrs. Jacqueline Brumfield, later replaced by Mrs. Elinor Burger, led the other group. Mrs. Burger, formerly a department store buyer, was a business education intern at Seminole High.

DCT Gained Skills And Aided Families

Under the coordination of Mr. John Roberts, DCT students combined school with the world of technical professions. Students enrolled in the Diversified Cooperative Training program attended the District 12 convention in November. In February, the District contests were held at the City Center in St. Petersburg. These contests were designed to aid the business students in building skills helpful in their line of work. DCT members celebrated Christmas and Thanksgiving by helping needy families. The annual employer-employee banquet was held in May.

Homemakers Prepared For Leadership

(above) Homemakers discuss plans for future projects.

Future Homemakers of America was sponsored this year by Miss Jane Bockstahler and Miss Claudenia Burney, both new additions to the Home Economics Department. FHA's service projects helped to prepare girls for responsible home management and leadership. In addition to housing projects, the club entered a car in the Homecoming Parade.

Fathoms Staff Structured Creative Magazine

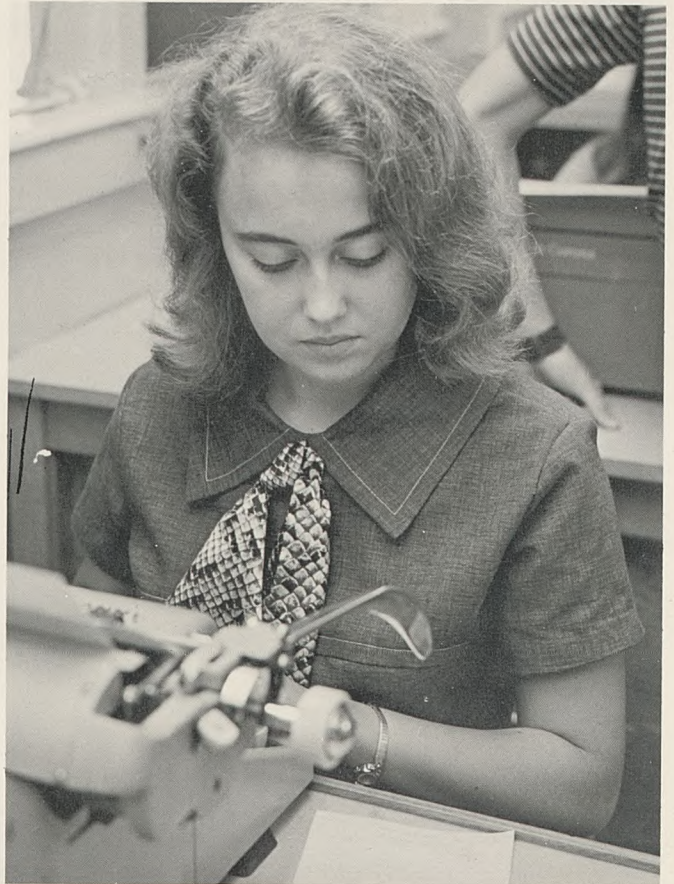

Changes were in order for Fathoms, the CHS literary magazine. Staff members were chosen from volunteers who were selected by the faculty on the basis of literary perception. Members of Fathoms met at noon during their lunch and homeroom periods. The reading board discussed and voted on some 300 entries for the '71 Fathoms. Cover and art work were handled by Mrs. Blewitt's art students, and production was done by the Aqua Clara staff. Fathoms members also promoted sales and encouraged entries. A delegation from Fathoms went to the FSPA convention in Miami.

Clearlight Kept Pace With A Busy World

Summer months gave the Clearlight staff time to learn skills needed in publishing its fifteen issues. During the school year members attended conventions in Lakeland and Miami, and the annual Clearwater Sun Banquet in April. The newspaper wasn't all fun, however. Ad assignments, news beats, layouts, and page proofs required long hours after school. Articles on drugs, fashion, cars, and current political controversies served to keep the students well informed. Mr. Thomas Pierce, advisor, helped guide the staff through an exciting year.

Staff Portrayed Life's Simplicity

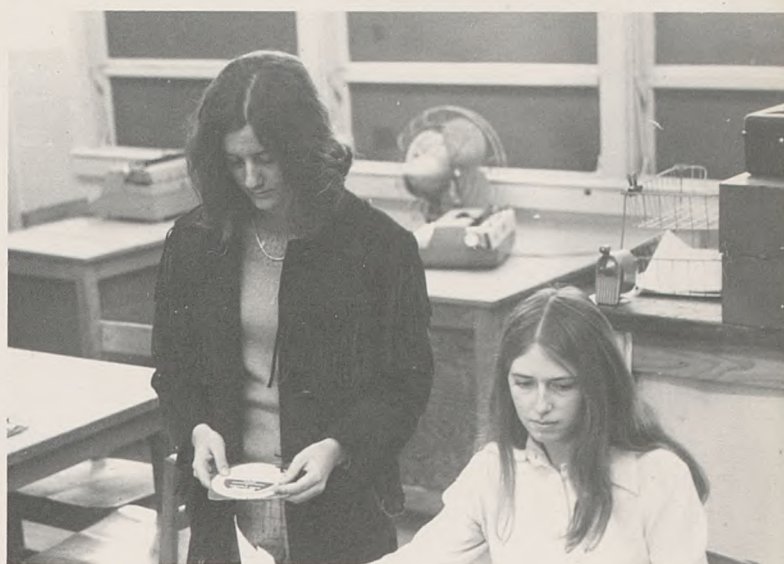

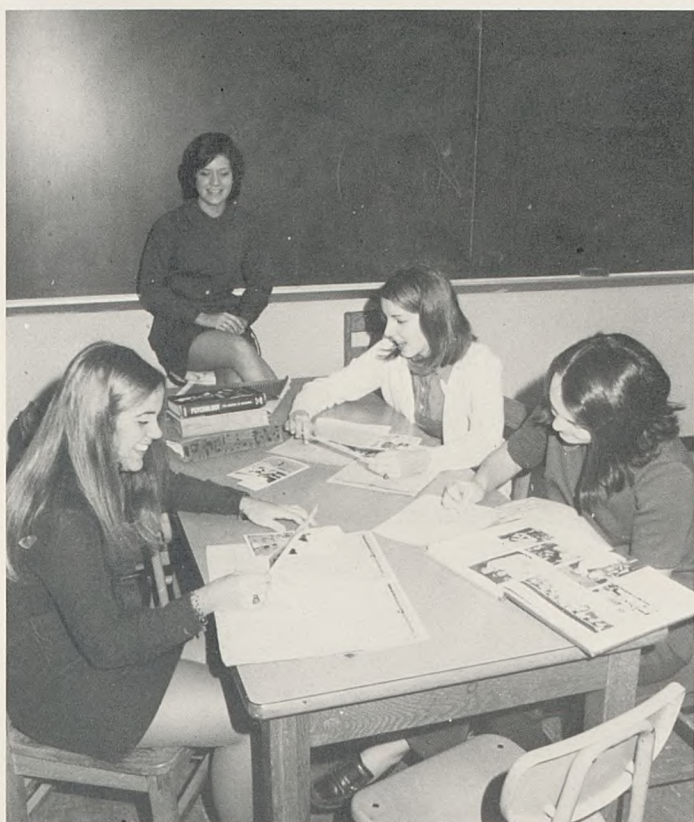

With the use of eight additional pages and valuable skills gained at the University of Florida summer workshop, the 1971 Aqua Clara was destined to be an outstanding creation. More student photographers and different layout techniques were utilized. A smaller staff and the creation of a new post of index editor added flexibility in meeting the four deadlines. Year-book conventions, deadline parties, and the staff picnic broke the tension and anxiety of "deadline blahs." In an effort to reveal the natural aspects of life, the Aqua Clara staff spent countless hours immortalizing CHS activities.

New Director Boosted Band

This year, under the new direction of Mr. Don Hacker, the Crimson Tornado Band had a great year. After many afternoons of practice, they were ranked superior at the District Marching Contest held at Jack White Stadium. The band marched in several parades including the Inaugural Parade in Tallahassee and also performed at all football games.

Twirlers Sparkled In New Uniforms

The CHS Twirlers came through with another year of fine performances. Marching during halftime at football games headed their list of activities. Other activities included marching in parades and in the American Bowl. Seniors Cheryl Weatherilt and Cheryl Wright returned for another year on the squad as captains. All of the twirlers participated in the District Marching Contest, ranking among the top performers.

Choral Groups Harmonized With New Director

Under the leadership and knowledge of a new director, Mr. Dale Stonecipher, the Concert Choir presented the annual Christmas Vesper service. This select group of students with above average talent also performed at the spring concert and for church organizations. A smaller and more select group of vocalists compose the Crimsonaires. This group represented the school at community affairs and specialized in modern music. The girls chorus was made up of girls interested in singing a variety of musical arrangements.

Tornadoes Ranked Third Statewide

After a typical 10-0 season, the charges of Coach Earle Brown extended their winning streak to 28 regular season games to win the district 6 AA title. Leading the Tornado's running attack was captain Tyson Sever. Quarterback Frank Duncan and Glen Sever proved to be the most effective combination in the air. At the close of the conference bouts, the team was ranked third in the state. The conference victory meant a regional playoff against Lakeland Kathleen. After a tight first half, Kathleen was able to score 24 points. Clearwater was unable to get its running game going, greatly hampering its air attack. The only score for the Tornadoes was a Duncan sneak after a Tyson Sever 62 yard run.

Tornadoes Swept Spring Jamboree

Spring practice at the end of school last year started the 1970 season for the Mighty Tornadoes. In the spring jamboree The Tornadoes triumphed over Largo and Seminole. During the summer the team came out voluntarily for weight training and work on patterns. All this extra work paid off as the Tornadoes chalked up a 10-1-0 season, including the district playoffs.

Baby Tornadoes Worked With Varsity

This year the junior varsity football players received instruction in conjunction with the varsity team. Working out with the varsity squad provided the JVs with a better acquaintance with football on the varsity level. The sophomores also had separate practices run by the varsity coaches. It was hoped that mixed practice would facilitate the JVs in filling the varsity ranks.

In a regular six-game season, they had five victories, falling only to Largo. Quarterback Mike DeVaughn and running back Steve Dixon led the team. Support on the front line was provided by Steve Perry at center. The Baby Tornadoes promised many talented players for next year's varsity team.

Sophomore Six Boosted Spirit

Six enthusiastic sophomores, the JV Cheerleaders, helped to promote school spirit. They cheered for victory at every Junior Varsity football and basketball game. Chosen at the beginning of the year, they were coached by Mrs. Merle McCracken. The girls did a fine job of cheering at the JV games, and boosted the spirit at varsity games.

Cheerleaders Lifted School Enthusiasm

A new lift in the spirit of the student body was present at CHS this year. Heading up the enthusiasm were the '70-'71 varsity cheerleaders, led by senior captains Susan VanVliet and Cathy Vest. With sponsor Mrs. Martha Smith, the six seniors and four juniors backed the Tornados all the way. To boost school spirit, the cheerleaders led several pep assemblies during football and basketball seasons. Their pep and enthusiasm were relayed to the students through banners, posters, and new chants.

Usherettes Spooked Tornado Tales

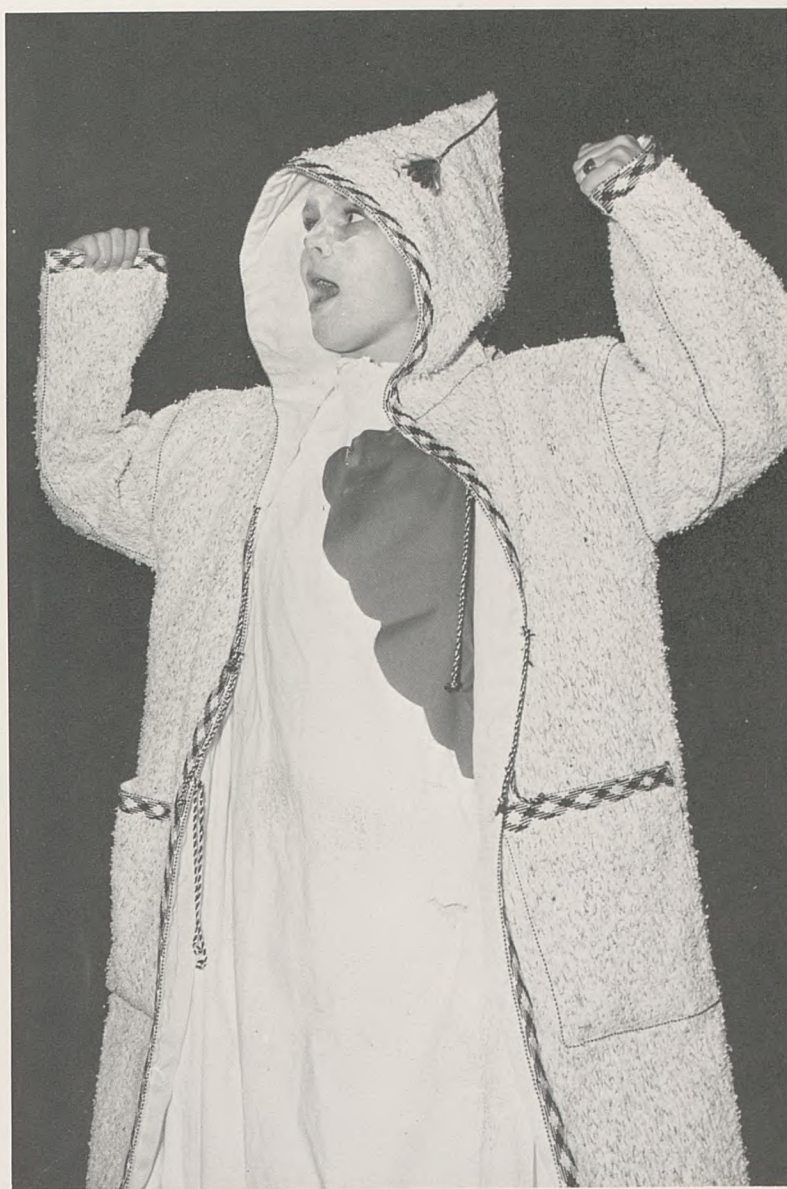

Getting up at five a.m. to decorate Victory Hall, selling donuts, and making banners were only part of being an Usherette. These girls in their new red pantsuits ushered at school activities including football and basketball games, Back-to-School Night, school plays, and graduation. They presented the winning skit at Tornado Tales, while Joyce Gidel and Wendy Williams took time off from Usherette duty to serve on the Homecoming Court. Leading the Usherettes this year was senior Julie Smitherman.

Boosterettes Sold Enthusiasm

Those sixteen energetic sophomore girls who sold popcorn and cokes at home football games were the Boosterettes. New uniforms were in order, with the girls sporting gray slacks and red blouses. Many of the girls made their own outfits. Sponsored by Mrs. JoAnn Tilley, the Boosterettes initiated several projects during the year. They entered three cars in the Homecoming parade and used part of the main bulletin board to support the mighty Tornados. The prime purpose of the Boosterettes was to aid the Band Boosters in earning money. At the end of the year the girls received charms from the Bank Boosters in recognition of their service.

Marching Dolls In Red 'N White

The Tornadoettes, completing their second year, delighted audiences with routines to "The Good, the Bad, and the Ugly" and "Evil Ways" at football half-time shows. Overflowing with school spirit, the Tornadoettes accented the cheerleaders. Besides performing at all the games, they marched in several parades and performed at the American Bowl at Tampa Stadium. The secret of their success was hard work and good leadership. Forty-two girls gave up an hour and a half each day to perfect their routines. Tracey Reeder, elected captain for her second year, and Leslie Temple, senior co-captain, worked closely with sponsor, Mrs. Connie Steele, co-sponsor, Mrs. Jennie Hillery, and parent sponsor, Mrs. Sally Phillips.

Conference Rivals Proved Challenging

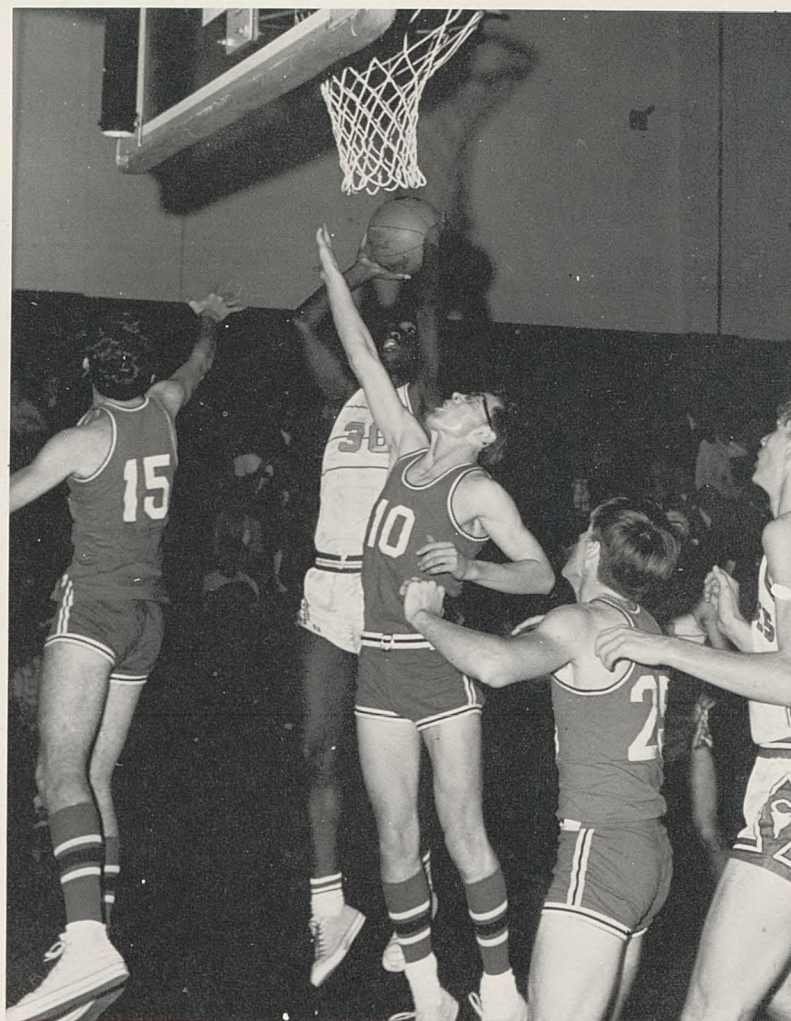

Varsity basketball had an exciting season at CHS this year, and rugged was the word for both conference and non-conference rivalries. In the Sunshine City Invitational Tournament, held at the Bayfront Center, the team met successfully with Tallahassee Rickards and St. Pete High, but suffered defeat in the finals at the hands of the Gibbs Gladiators. Junior Dale Carmichael was one of the leading scorers in the conference. The tall Tornadoes were led by Captain Chuck Pippitt and Coach Jack Wilson.

Clearwater JVs Set New Records

Coach Norman Weaver, along with co-captains Tom Callaghan and Reggie Rutledge, led the CHS Junior Varsity basketball team to another winning year. In their 18th game the JVs set a scoring record of 108 points against Dixie Hollins. They held Largo to a record low of 12 points. By beating Gibbs in their second meeting they clinched a tie for the JV crown.

(left) Sophomore standout Frank LeFevre displays his court superiority. (top left) The ball is up for grabs and Tornadoes Danny McKahan, Reggie Tutledge, and Terry Hone are anxious to grab it.

Tornado Trackmen Raced To Victory

The Tornado Track Team ended another winning year with coaching assistance from Ed Wells and Chris Seeger. The team captain was Brian Nemeth, and the field captain was Bruce Williams. Clearwater was scheduled to compete in twenty-two meets, and compete they did. The Tornadoes took the honors and awards at almost every meet. Although the team was mostly composed of sophomores, the seniors made themselves evident in the persons of Tom Fliescher and Jerry Caswell.

Tornado Runners Ran Cross Country

Under the direction of Coach George Carswell, David Jass and Jim Burton lead the Tornado cross country team to another season. With a larger turnout and the return of several lettermen, the squad had both depth and experience.

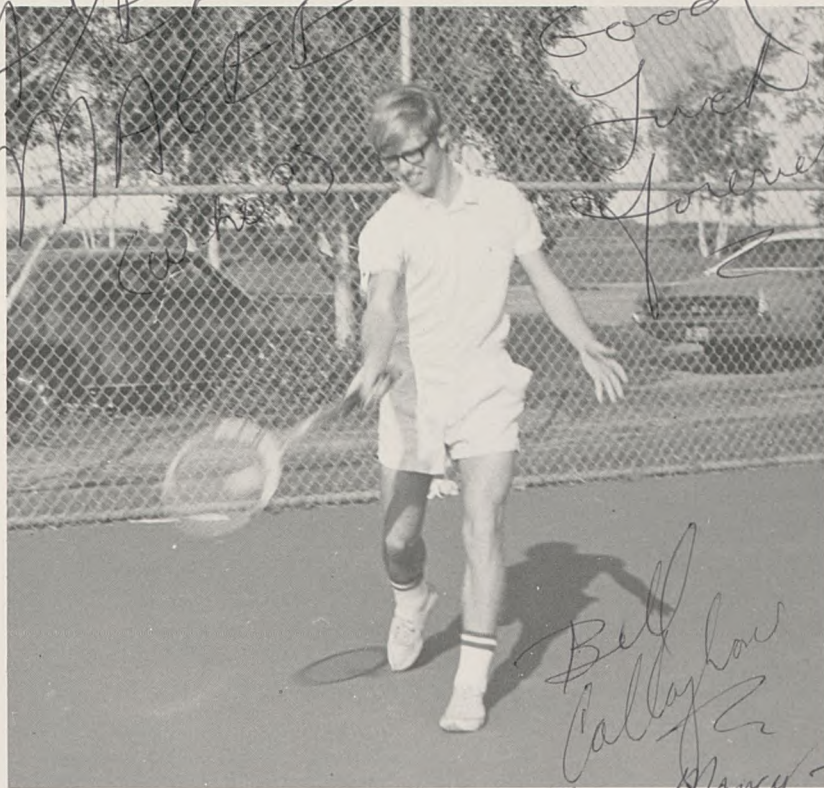

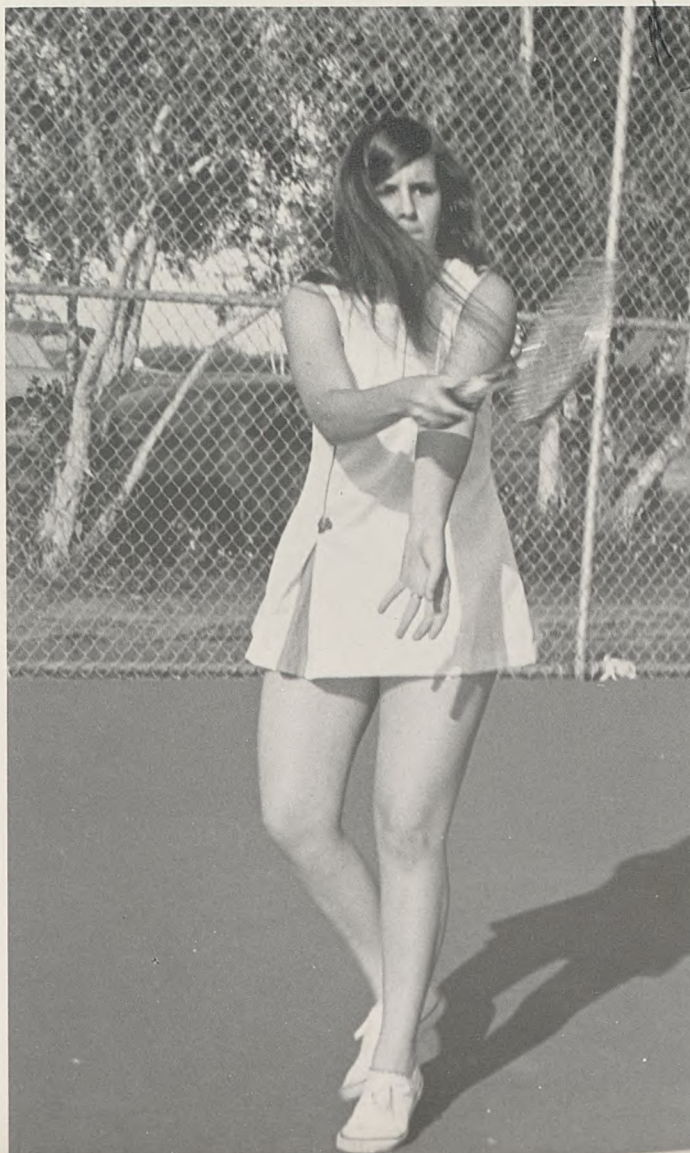

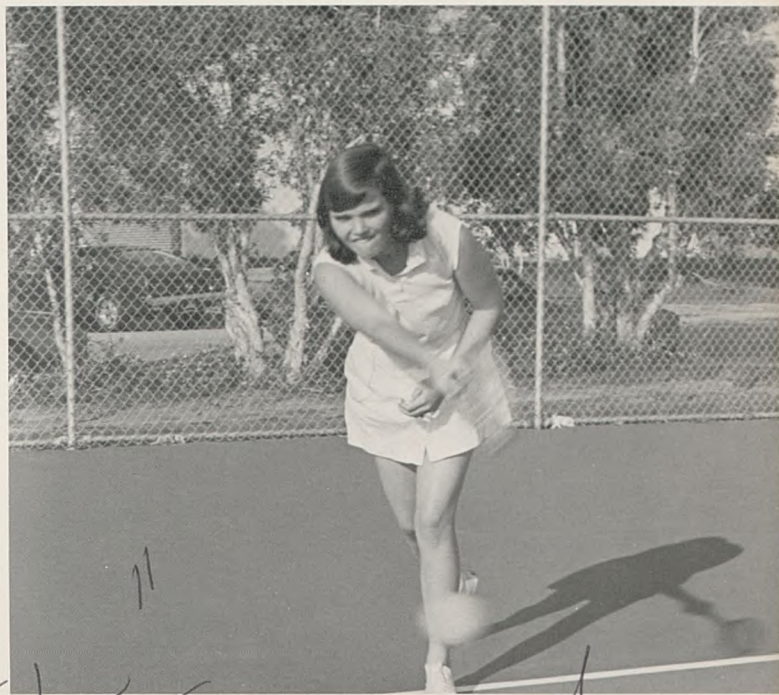

(above) Cross Country builds stamina by running uphill. (below) CHS leads the pack of cross country teams. (right) Gordon Johnson catches his breath after a hard run.

Tennis Team Served To New Coaches

Two new coaches, Mrs. Laura Lou Kunnen and Mr. William Tydeman, led the Clearwater High tennis team. Each team had ten players, however, all players did not participate in every match. In April, the teams played in the district meet which decided which schools would play in the state tournament. To get in shape and build endurance, the players skipped rope, ran, and practiced after school.

Don't drink the water. It was really a fun fantastic time doing the play, thanks a lot for helpin' to make it go off so well. I hope your year was as fun as mine. Keep smilin' and I gave you all of my best wishes to you.

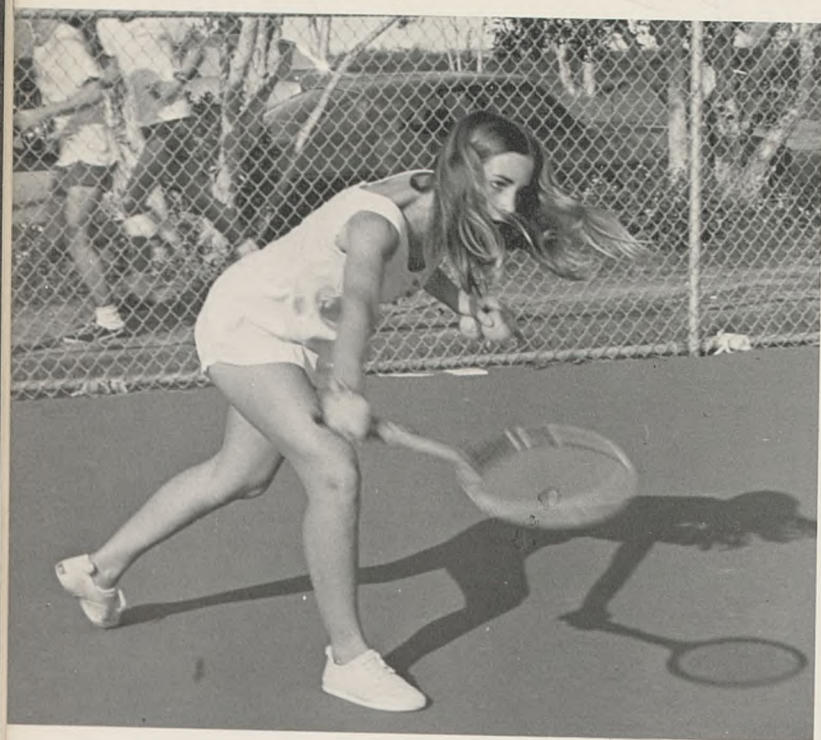

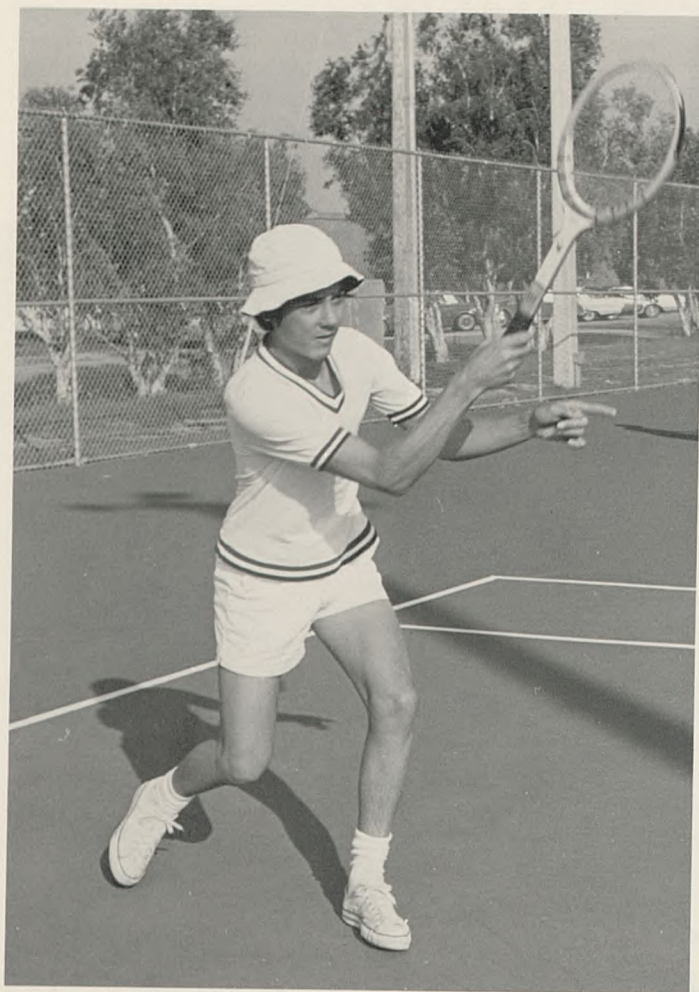

Good luck forever

Bill Callaghan

Batting Machine Pitched To Baseball Team

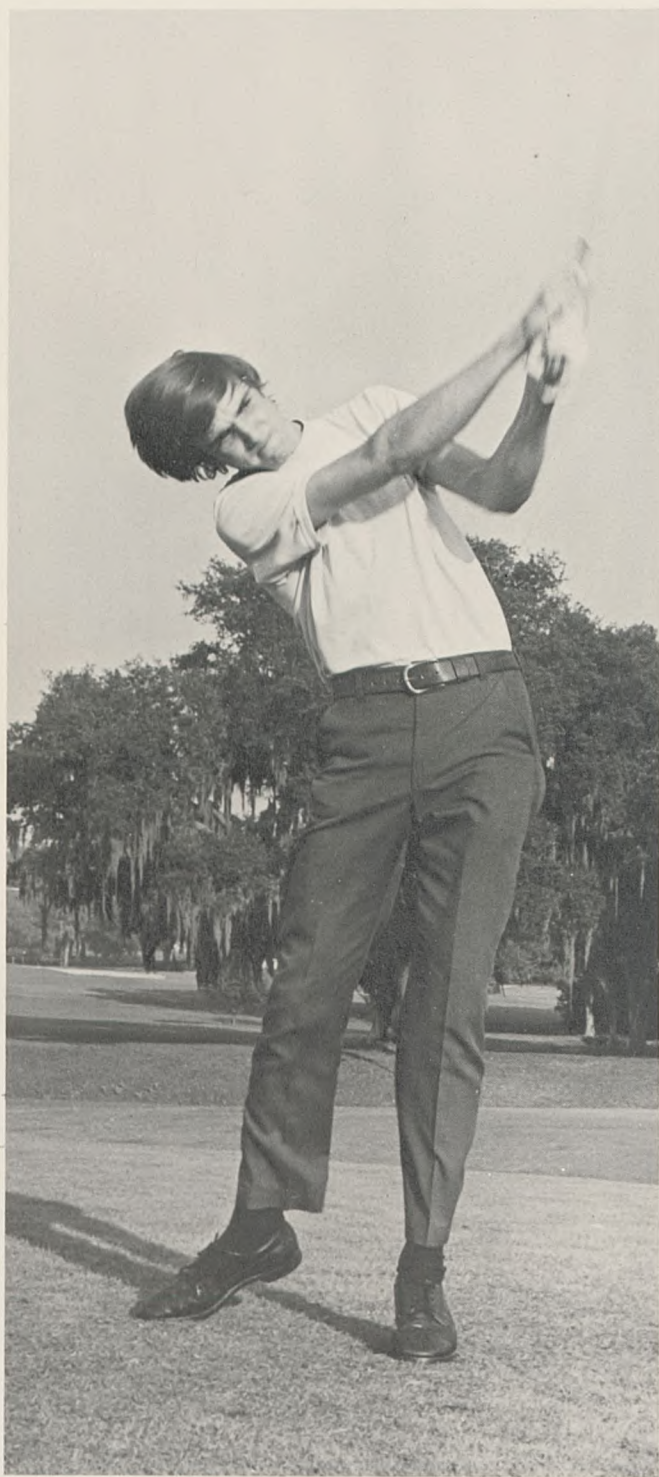

A batting machine purchased by the Athletic Booster Club, helped the CHS baseball team in its practices at Ray Green field. Tryouts and practice began early this year to give Coach Sal Gaiter a better chance to organize the team. Although the team was cut to 22 players, there were ten returning players on the squad. Because there were only eighteen uniforms, every player did not start each game.

(front row — from left) Frank Duncan, Bill Rohlfs, Dan Pawley, Jeff Larson, Tyson Sever, Steve Tibbitts, Bob Kania, Paul Gelep, Barry Ward, Ron Mabini, Jim Karay, Vic Wallace, Dave Futch. (back row) Gordon Shepherd, Glen Howard, Mark Slabaugh, Dave Zeigler, Ed Haun, Rick Bouchard, Joe Sorvillo.

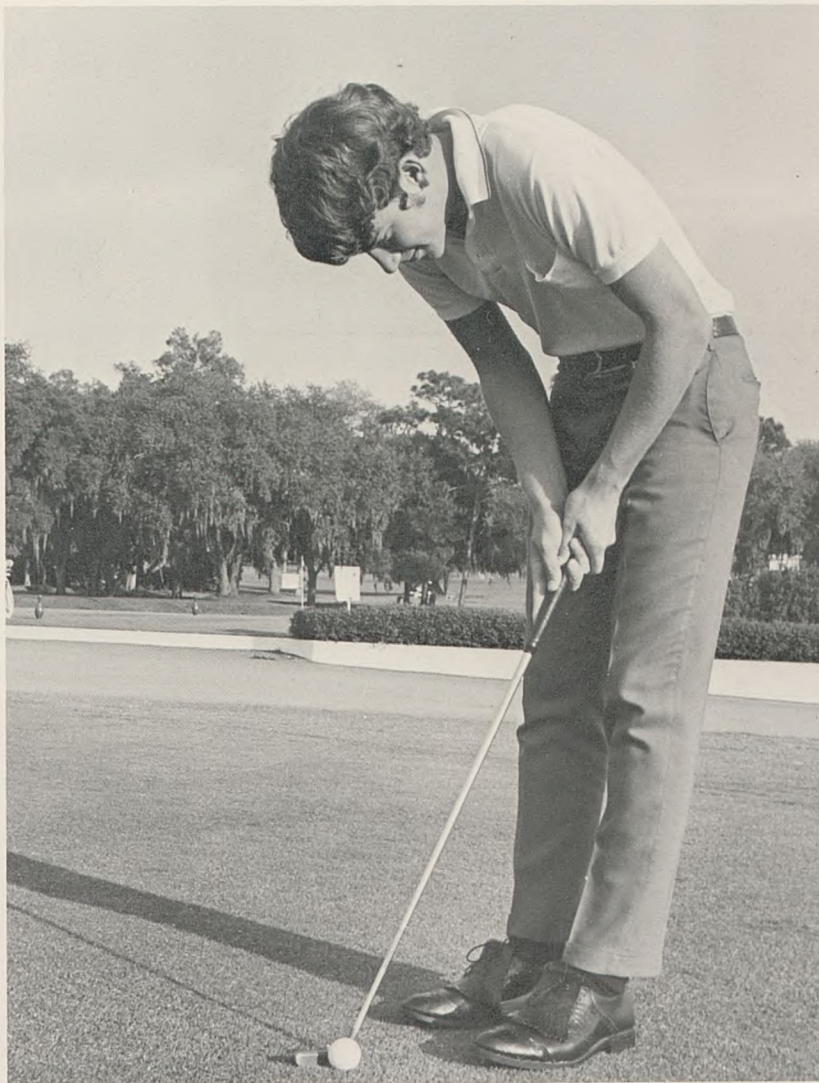

Golf Team Teed Off Into PCC Rankings

Seniors Mark Wilkins and Bob Muttera lead the CHS golf team against such rugged foes as Largo, Lakewood, and King, twice defending state champion. They were joined by other standouts to play their roughest conference schedule in recent years. In addition to strong opponents, the golfers also faced a new scoring system this year. Of five player's scores, the best four were added together as a team total. Coach Frank Straner expressed pride in his team which had improved since they won the state championship. Steve Nichols, Dave Dennard, and Dave Hagen proved to be promising prospects for the future.

New Swim Coach Stressed Power

Rugged workouts began in October to prepare swimmers for their spring season. First year coach Mr. Don Prokes stressed endurance as well as speed. The boys sold Miss Quik cleaner to help cover the costs of heating Bobby Walker Memorial Pool. In pre-season meets, the team made a powerful showing, breaking several swimming and diving records. Winning their first conference meet, the boys looked ahead to the conference and district titles.

(right) Cassie Funk and Looty Walker brave the cold during winter practice sessions. (top right) Diver Susie Bowman takes a look at the judges' awards.

Heated Pool Proved An Added Incentive

Selling household cleaner to raise money for heating the pool initiated pre-season activities for the Girls' Swim Team. Also, the girls sported warm-up outfits donated by the Century Club and new tanksuits. The girls splashed into a victorious year, slashing seconds off old school records. In their first conference meet, the girls quashed last year's district champions from Northeast. New coach Mrs. Pat Brown offered individual help and boosted team spirit.

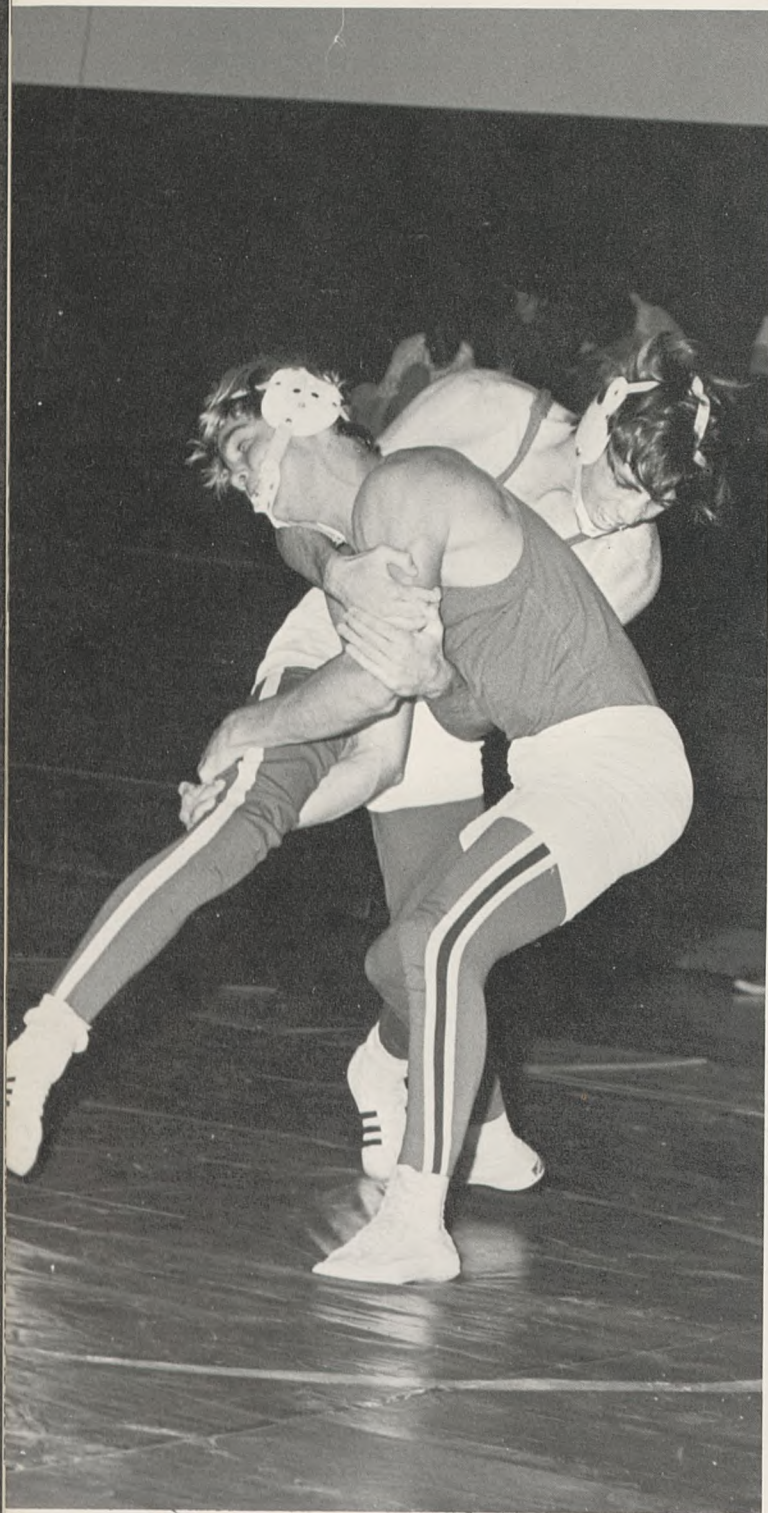

Nancy,
You've been a wonderful friend
this year. I hope we both
know better next time not to
take home things. What a course!
But we had some pretty good
time, didn't we. You're going to
have a great year next year with
the Tornadocettes. I'm glad you got
it. Best of luck in all you do,
little lady. Keep your
chin up!" Love,
Julie Smitherman

Wrestlers Pinned Down A Winning Season

Low guttural sounds and daily practice ushered in a third year of wrestling. Coach Steve Goldman (now assistant football coach at Rice University) and his team, headed by co-captains Bill Kessenich and Pat Rhodes, rose from the cellar to be PCC contenders this year. Returning lettermen Tom Sallen, Jeff Stillson, Gary Burch, Paul Tamanian, Bill Galloway, and Mark Futch added experience and talent to the team. Seniors Mike Walters and Bob Welbon also contributed added depth and brawn to a squad.

Gull,
Well, another
year has gone by. I'm glad
you moved here. You are really
forgetting the first day in P.E. and
you asked me if I was Kelly's sister.
and nowhere it is - almost Kelly's sister
out. Couldn't believe it - almost Kelly's sister
My girl. Remember all the
times with and in P.E. - att.

Nancy,

It was sorta funny, how we got to know
each other but I'm glad we got to be friends.
Congratulations on making Cornadette you
really deserved it, and you'll be the best
one out there. Good Luck always and
God Bless.

New Principal Brought Spirit And Frankness

A new yet familiar face was added to the administration this year — the friendly face of Mr. William Justice. He is a former football coach, dean of men, and assistant principal at CHS. Under his supervision, several new programs were initiated, including Activity Period, the honor system and mid-day homeroom. Mr. Justice welcomed students to discuss any controversies with him. Mr. Justice brought with him an aura of school spirit and openness.

(above) CHS Principal takes time to know students. (left) Mr. Justice, conducts assembly. (top left) Mr. Justice welcomes Velda Farms representative at Tornado Tales.

Administration Sought Changes And Understanding

Filling the position of assistant principal was Mr. Garnet L. Williams. His supervisory duties involved the school's maintenance, mechanics, supervision, and curriculum. Mr. Adam Forinash served as fulltime registrar. The administration was concerned with the growing number of students which necessitated changes in such areas as assembly schedules and lunch periods. Increased cooperation and communication between students and administration was achieved as a major goal.

Deans Enforced New School Codes

From the deans' offices came changes. The dress code was liberalized and a new honor code concerning absenteeism was instituted. Students were readmitted through Miss E. Pat Myers, dean of girls, and Mr. Jerry Hyde, new dean of boys. White excused and pink unexcused admits were issued. With the welfare of students in mind, the deans dealt with the students' social and personal problems. Conferences were planned with teachers, students, and parents to help find solutions.

Guidance Coordinated Students

"What courses should I take?" "A senior at last; where do I go from here?" His first year at CHS, Mr. Ronald Isackson joined Mrs. Shelby Kilgore, Mr. Willis Butts, Mrs. Elaine Jablonski, and Mrs. Imelda Van Fleet to help answer these questions. Counselors took charge of testing, kept records, gave out college information, and made schedule changes. A new college information file was opened to students.

'71 Was A Year Of Natural Numbers

With every school term the Math Department grows and improves to keep up with the modern applications of mathematics. Due to modernization and the new space age, more and more high school students find that math opens many doors every year. CHS math instructors are qualified in various areas of mathematics and are eager to guide students into the broadening fields that are important in our age of technology. It all added up to more education for CHS students.

Best wishes, Nancy for many
years of success. Jo Ann Tilley

Science Opened New Dimensions

The Science Department offered a varied curriculum made up of several branches of science including: Chemistry I and II, Chem Study, Biology I and II, Physics, Physical Science, and Physiology. It was hoped that a Marine Science course would be initiated in the near future and that more and newer lab equipment for experiments would be obtained. The science department planned to send a student to the University of Florida this summer for research and experiments. Head of the department this year was Mr. Guy Krummel.

Social Studies Tried Open-Space Teaching

Open-space teaching was a new experimental concept in the Social Studies Department. Over half of the students had classes in the new teaching studio, better known as the POD. Teaching teams used lectures, study and discussion groups, and visual aids. Emphasis was placed on independent study. Construction was not completed when school opened; carpeting, microphones, and other materials were added during the year. Courses taught in the POD included American History, Americanism vs. Communism and World History. Student and teacher co-operation was a big factor in the success of this experiment in learning.

Specialized Development Was Offered In P.E.

Emphasis in physical education was placed on sportsmanship and the acquisition of basic abilities in all athletic areas. Athletic programs of progressive development were offered, based on a generalized program in sophomore year with more specialization and individualization in following years. Areas of training included swimming, lifesaving, track, football, and a special course in weightlifting for boys.

Foreign Languages Meant Understanding

To enrich the understanding of foreign peoples and cultures was the chief aim of the foreign language department this year. Through the use of films, tapes, novels, and records, students improved their pronunciation and comprehension of the customs and literatures of other lands. Spanish students rolled rrr's and Latin students translated legends, while some German and French students studied independently. By studying foreign languages, students broadened and enriched their understanding of the world.

English Offered Variety

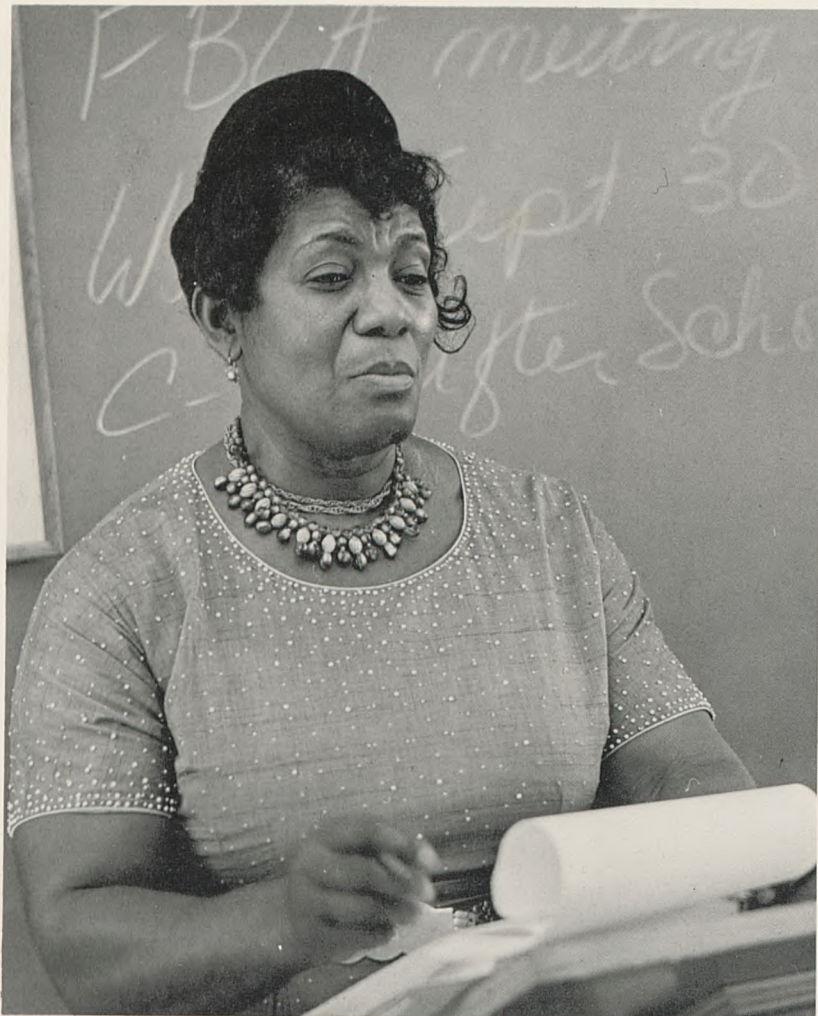

A successful curriculum of language, composition, and literature was continued in the English Department. Several courses were available on basic and honors levels. Since all courses were well established, the teachers concentrated on updating methods of presenting material to the students. The remedial reading course, started last year, proved helpful to students with reading problems. Students were given opportunities to explore new horizons in reading and to relate opinions and ideas creatively in term papers. A good foundation in grammar and vocabulary was necessary for effective self-expression.

Media Center Was "In" Spot

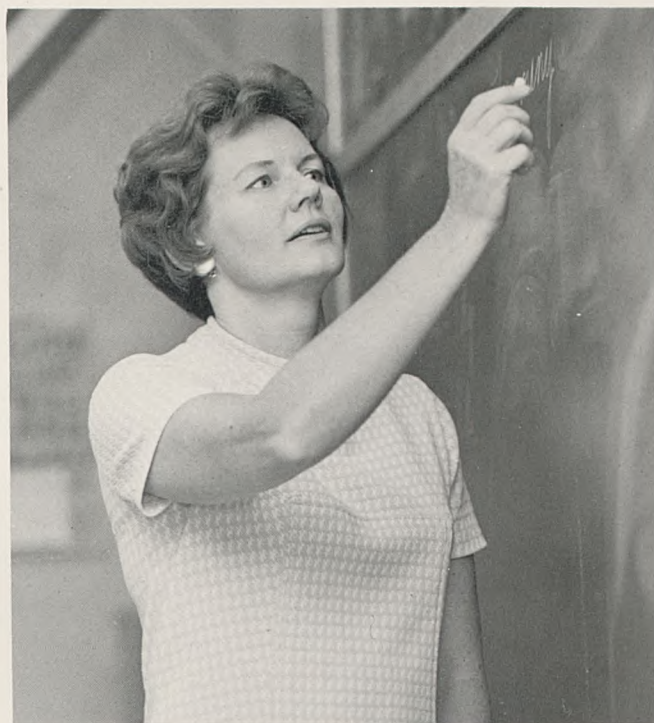

Completing its second year of use, the library proved very successful in providing students with educational as well as entertaining material. Over two hundred maps were acquired for student use. The library also updated much of the research material and periodicals. Accommodating over one thousand students per day, the media center became one of the most popular spots in school.

Home Ec ^{Home Mgt} Cooked Up Something Different

What does everyone think of when they hear the phrase: "Home Economics"? The same old grind . . . cooking and sewing. But these were only a part of the program offered at CHS. Students were taught many aspects of family living, from child psychology to family relations. Two new teachers were added to the staff, almost a total turnover in a department of three.

Industrial Arts Spurred Creativity

Industrial Arts, better known to some as Practical Arts, offered six courses this year: Art, Arts and Crafts, Electronics, Drafting Wood Shop, and Metal Shop. Mr. Russell Stichler and his department specialized in preparing the student in Industrial Arts. The student received individual help, and creativity and self-expression were coupled with necessary skills to produce interesting, self-satisfying works.

Drivers Ed Students Got The 'Bug'

With more students enrolling in the Drivers' Education course, it was necessary to initiate new teaching methods. Each of the three teachers was in charge of materials and class presentations for one six weeks. An extra attraction this year was the addition of a new Volkswagen. This auto was available to students who wished to learn to operate a stick shift. These innovations helped extend the effectiveness of the Drivers' Ed program.

(above) Mr. Ed Wells Jr. (top) Mr. Ralph Hummel. (left) Mr. Wells explains the stick shift in the new VW. (top left) Mr. Jack Wilson.

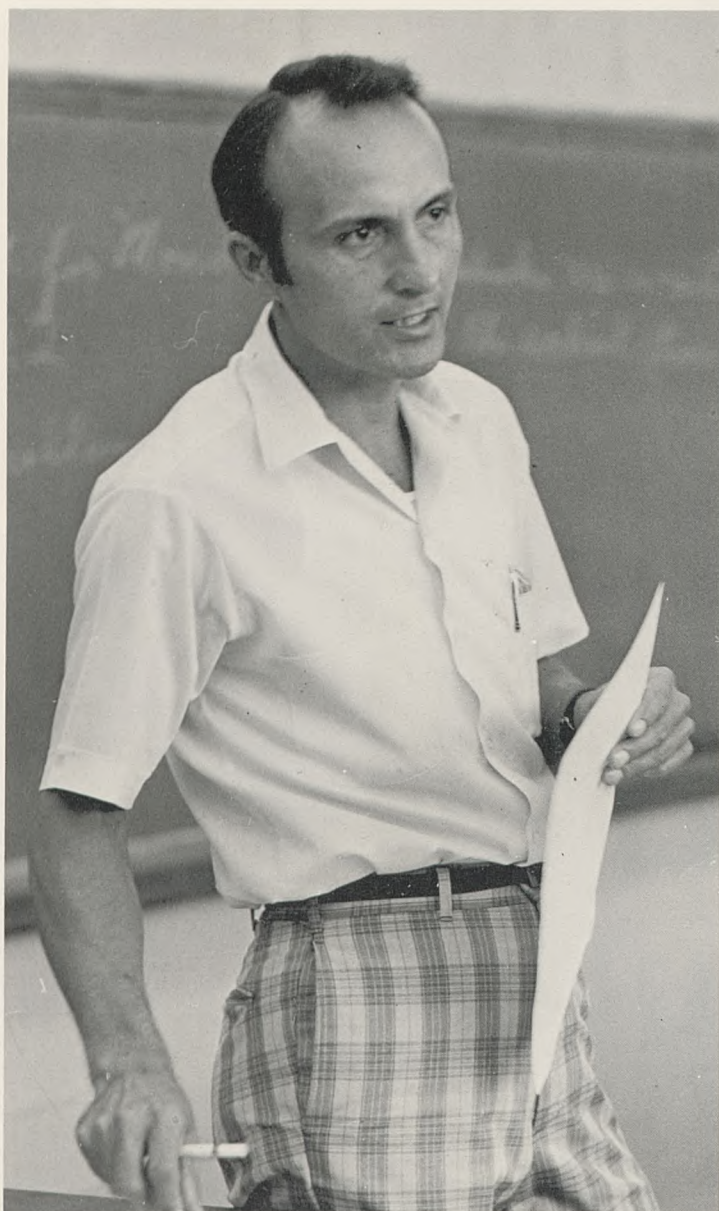

Students Received Job Training

Each day at noon the DE, DCT, and CBE students left school and started their working day. During school they learned the job skills needed in their particular field of business. Those enrolled in Distributive Education studied retail merchandising and advertising. The Diversified Cooperative Training students studied employee organizations, unemployment compensation, and job skills. The students enrolled in Cooperative Business Education trained in office procedures.

World Of Work Was Opened To Seniors

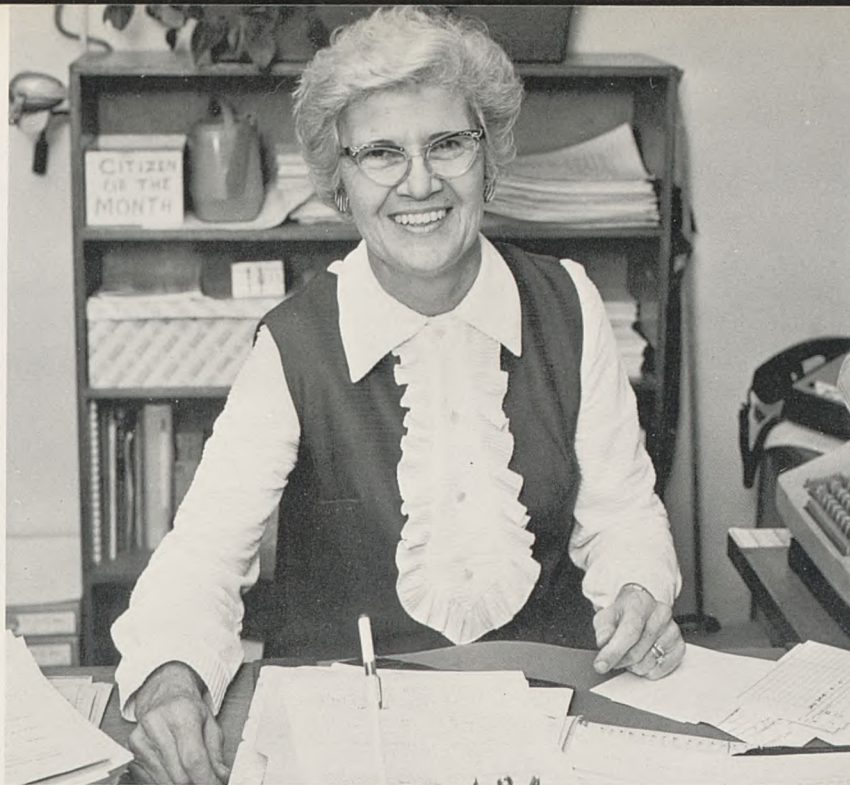

A wide range of courses to better acquaint students with the world of business was offered by the Business Education Department. Several levels of bookkeeping, typing, and shorthand; and classes in business math, law, and English were offered. The Business Education Department operated the school store under the direction of Mr. Ivan Werkhiser.

School Personnel Were Appreciated

Some of the hardest working people at CHS this year were the school custodians. They had the task of keeping the entire school clean. After twenty years of service, head custodian Mr. Matthew Perry retired. Another group of hard workers was the cafeteria staff. It was their responsibility to prepare a hot, balanced meal for the students. Mrs. June Ward served with the County Health Department as the school nurse. Easing the work load of the administration were the secretaries. These industrious women worked with everything from computer cards to daily bulletins.

Why in the world are marine biologists skindiving at Florida Power?

Florida Power has welcomed the placement of two State of Florida marine biologists at our Crystal River Plant to study the effects of "thermal additions" on plant and marine life. □ These two biologists are *not* employees of Florida Power, nor associated in any way with our company. They are employees of the Florida Bureau of Marine Science and Technology. Florida Power welcomes their presence at our plant because we want only the most authoritative and *independent* research in connection with our efforts to prevent water pollution of any kind. This is only one part of our comprehensive Environmental Monitoring Program, part of which is to study the ecological effects of warm-water discharge. The effort is in close cooperation with the Florida Air and Water Pollution Control Commission. □ At Florida Power . . . we search for problems before they happen. That's why our record is good in combating pollution . . . and will remain so.

(above) Travelers' Insurance Company provides financial and insurance planning for families, business and personal needs. In Clearwater, the Travelers' agent is **ROGER BOUCHARD INSURANCE** at 301 South Missouri Ave. Here Rick and Ralph watch their father handle some of the paperwork involved in running the family business.

(left) Nancy Jo Clark seems to be enjoying her jiffy tour around **AL STONE PLUMBING**. The business, on 1633 Missouri Ave. carries the most up-to-date plumbing equipment, and has a prompt repair service for your home.

(above) After the game, after the dance, after anything, bring the whole gang to **SHAKEY'S PIZZA PARLOR**, 2460 Gulf-to-Bay Blvd. At **SHAKEY'S** you can satisfy your pizza craving to the tune of a player piano. Remember, they serve fun at **SHAKEY'S**, also pizza.

(left) With pianos from **TUCKER PIANO AND ORGAN CO.**, you can be the center of attention. Marla Tucker and Steve Tibbitts know the key to success lies in a quality piano. You'll never be out of tune with **TUCKER PIANO AND ORGAN CO.**, 1158 Cleveland Street.

(right) For convenient shopping in a friendly atmosphere shop at **RUSSELL'S**, 25 in the Sunshine Mall. Debbie Green asks Linda and Alice for assistance in making her purchases. For the current styles in sportswear and dresses visit **RUSSELL'S**.

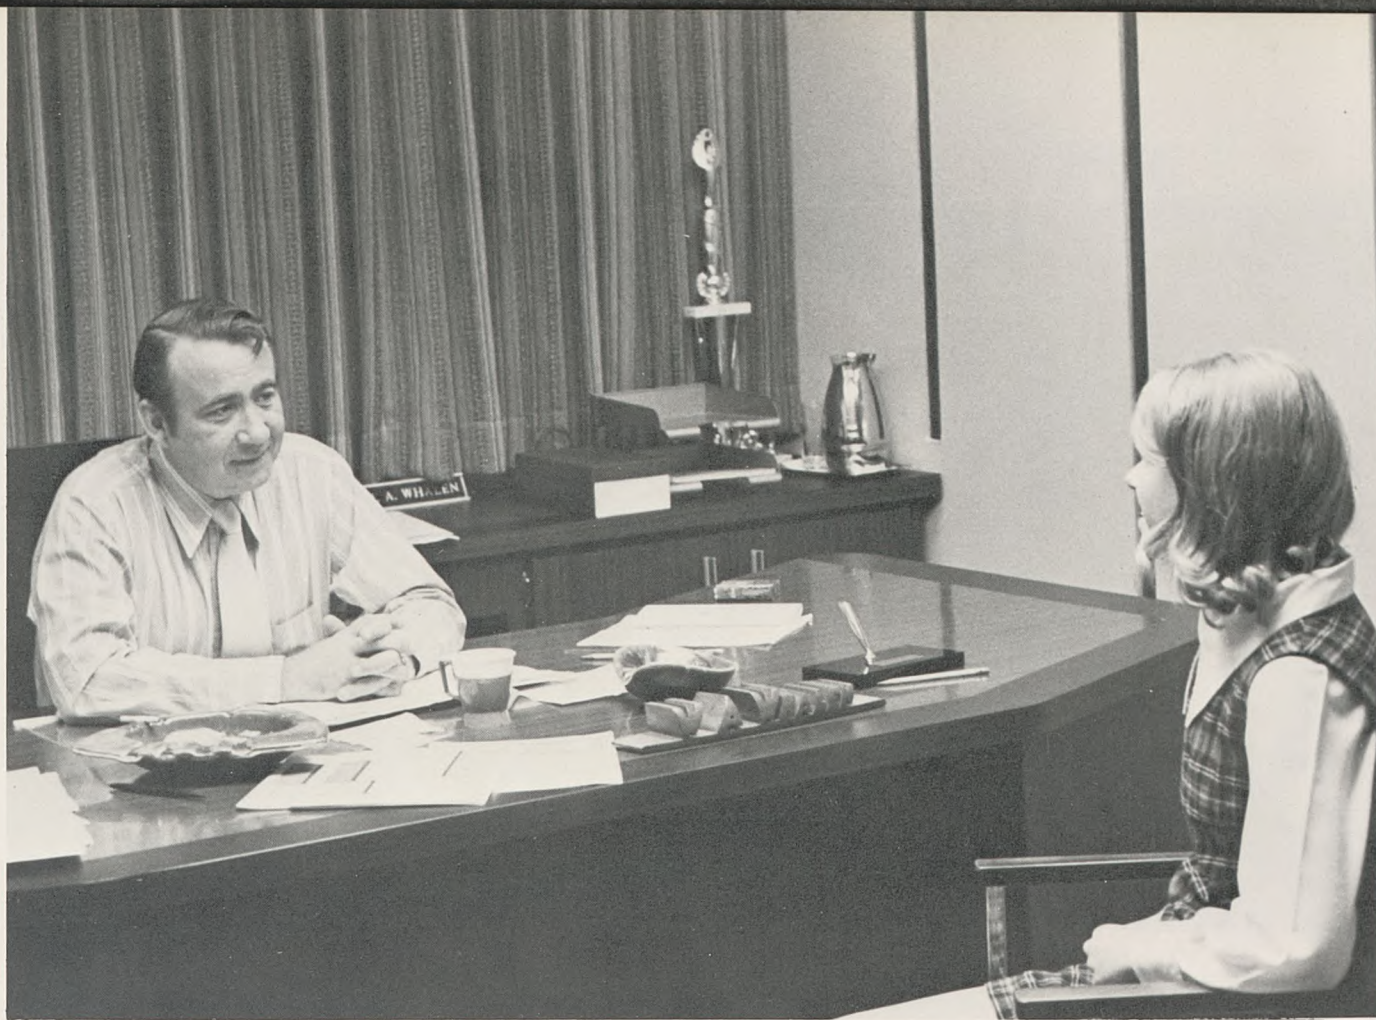

Join the crowd at FRISCH'S BIG BOY, 1849 Gulf-to-Bay.

Maribeth Cassels and Karen Simpson are glad they did.

(above) Mr. William Whalen, president of **FLORIDA HEALTH AGENCY INC.**, discusses the importance of beginning a sound insurance program early in life. Too often, he points out, young people put off thinking about adequate insurance coverage and end up pay-

ing much higher rates or are not able to qualify for standard coverage. **FLORIDA HEALTH AGENCY**, 302 S. Jupiter Ave., is the largest independent general agency in the state and handles all forms of personal insurance.

(above) Welcome to John Webb and Pete Ward's trophy room. Actually, this is just one part of the many displays of trophies and awards found at **THE "B" HIVE**, 1625 Gulf-to-Bay Blvd. Jackie Sederberg and Nancy Beaudine show Pete and John some of the newest trophies.

(left) Patty Jarrett and Benny Harrell have a very different kind of chaperon while dining at **THE PELICAN RESTAURANT**, 470 Mandalay Blvd.

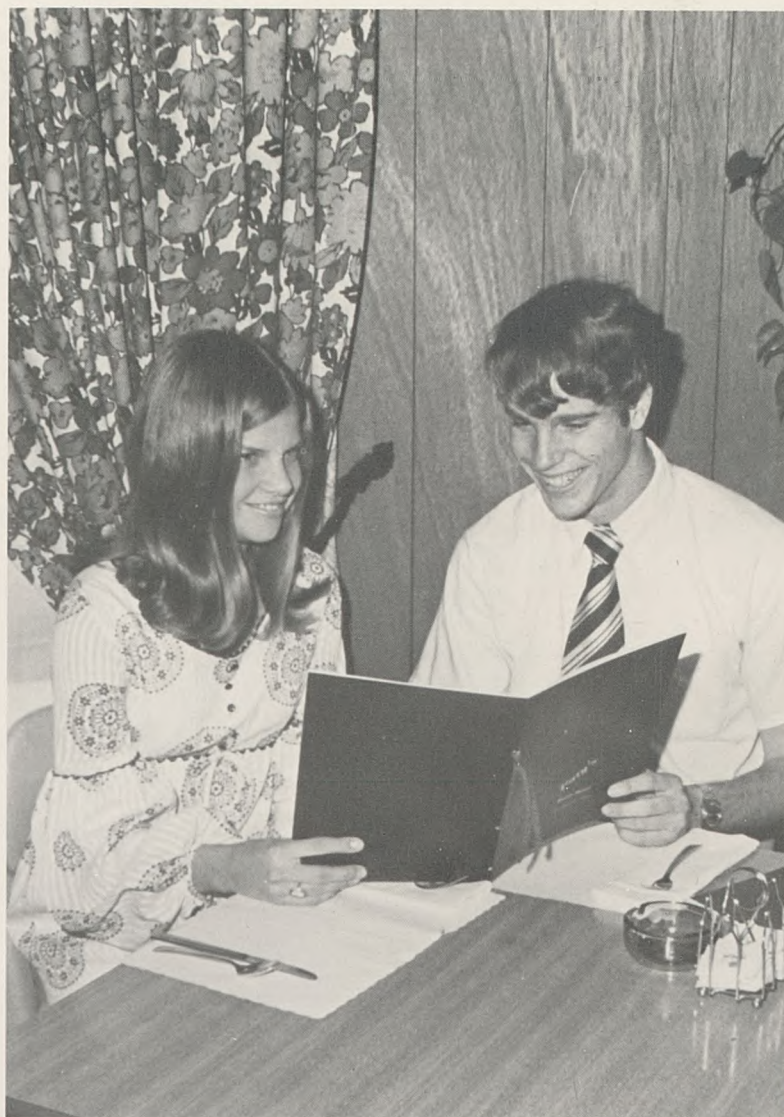

For your shopping comfort and convenience browse around the **SUNSHINE MALL**. Diane Burnham and Cindy Fulmer pause in the pleasant atmosphere at the

SUNSHINE MALL. Whatever you are shopping for, go to the **SUNSHINE MALL** on Missouri Ave.

(above) For a wild variety of tapes, tape players, and tape equipment, visit **THE STEREO TAPE SHOP** at 1855 Gulf-to-Bay in Clearwater. Cindy Rice and Janice Irwin look on while Jim Brown tries out some earphones.

(right) Do you want to be different, and get away from the local hamburger joints? Why not try an evening at **PATY'S RUSTIC MANOR**. April Forrest and Hugh Davis are ordering Czechoslovakian cuisine, a specialty at **PATY'S**.

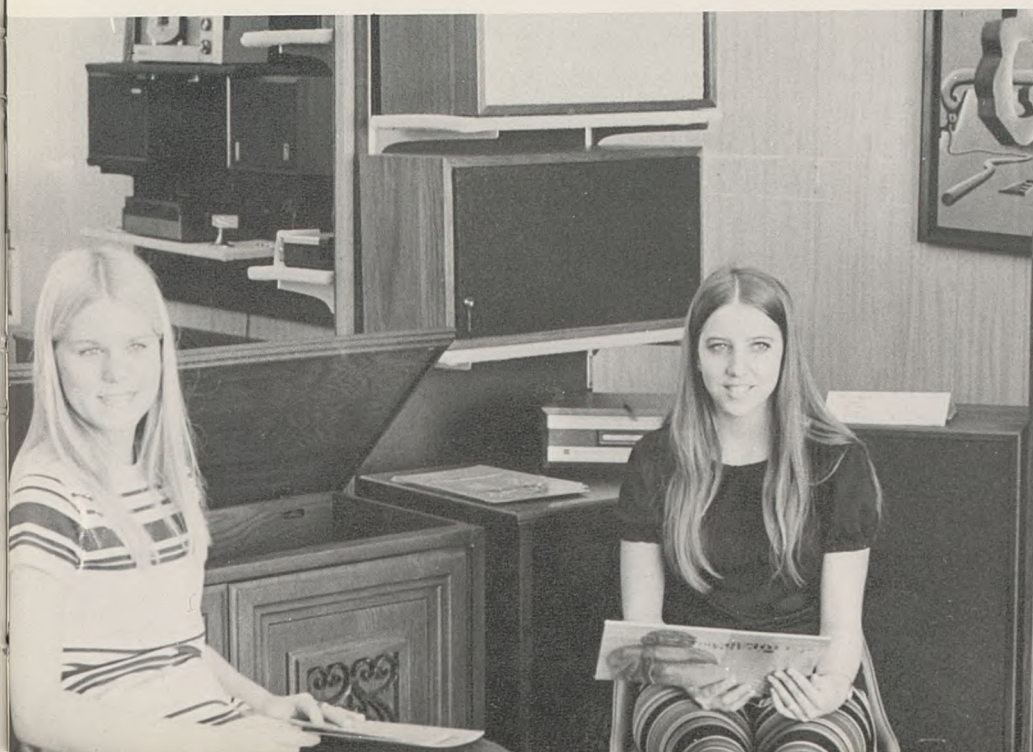

(below) Whether you are planning a party, or possibly planning to lose weight after the party, you'll find everything you need at **AL'S RENTALS**, 509 Florida Ave. Here you can find the out-of-the-ordinary things that are usually hard to get. Remember, if you want to rent it do what Jean and Leslie Savell do, visit **AL'S RENTALS**.

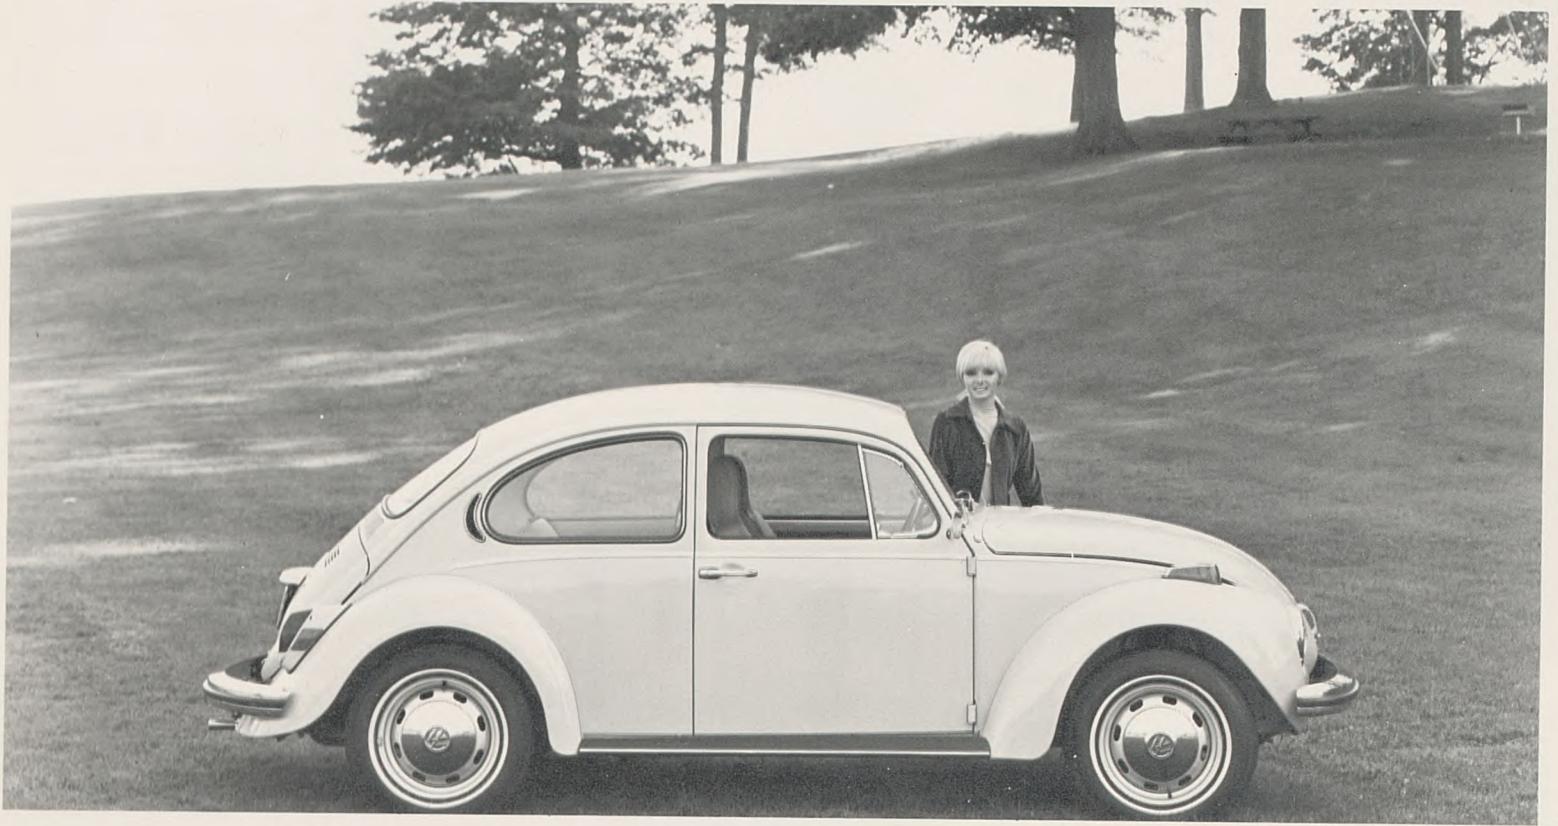

(left) For a life of luxury where your home is your castle all you need is the right interior decorator. Brad Macdonald introduces Mary Ann Blough to the royal treatment everyone enjoys at **BRAD'S INTERIORS**, 511 Skyview Ave. J. Bradford Macdonald, Clearwater's first interior designer, will help you furnish your home with just the right furniture, carpeting and draperies to make your dream house a reality.

(center) For the finest in campers and boats be sure you get **STARCRAFT**. Renee Kurzen and Pat Flaherty said the word and found that **STARCRAFT** for '71 is really great. See your **STARCRAFT** dealer and say the word.

(bottom left) Tune into fun at **STEREO CITY**, 823 Court Street. Kristi Frey and Bobbie Robinson think everything at **STEREO CITY** is a good vibration. Put a stereo in your home and enjoy your favorite music when you want to hear it. Fight "ear" pollution with a stereo from **STEREO CITY**.

For The Best "DEAL" on a New or Used Car BE SURE
that the dealer is a member of the **CLEARWATER**
AUTOMOBILE DEALERS ASSOCIATION.

(top left) Students take time out to study.

Nancy,
Don't change your name,
cause you're one of the
nicest people in
my home room.

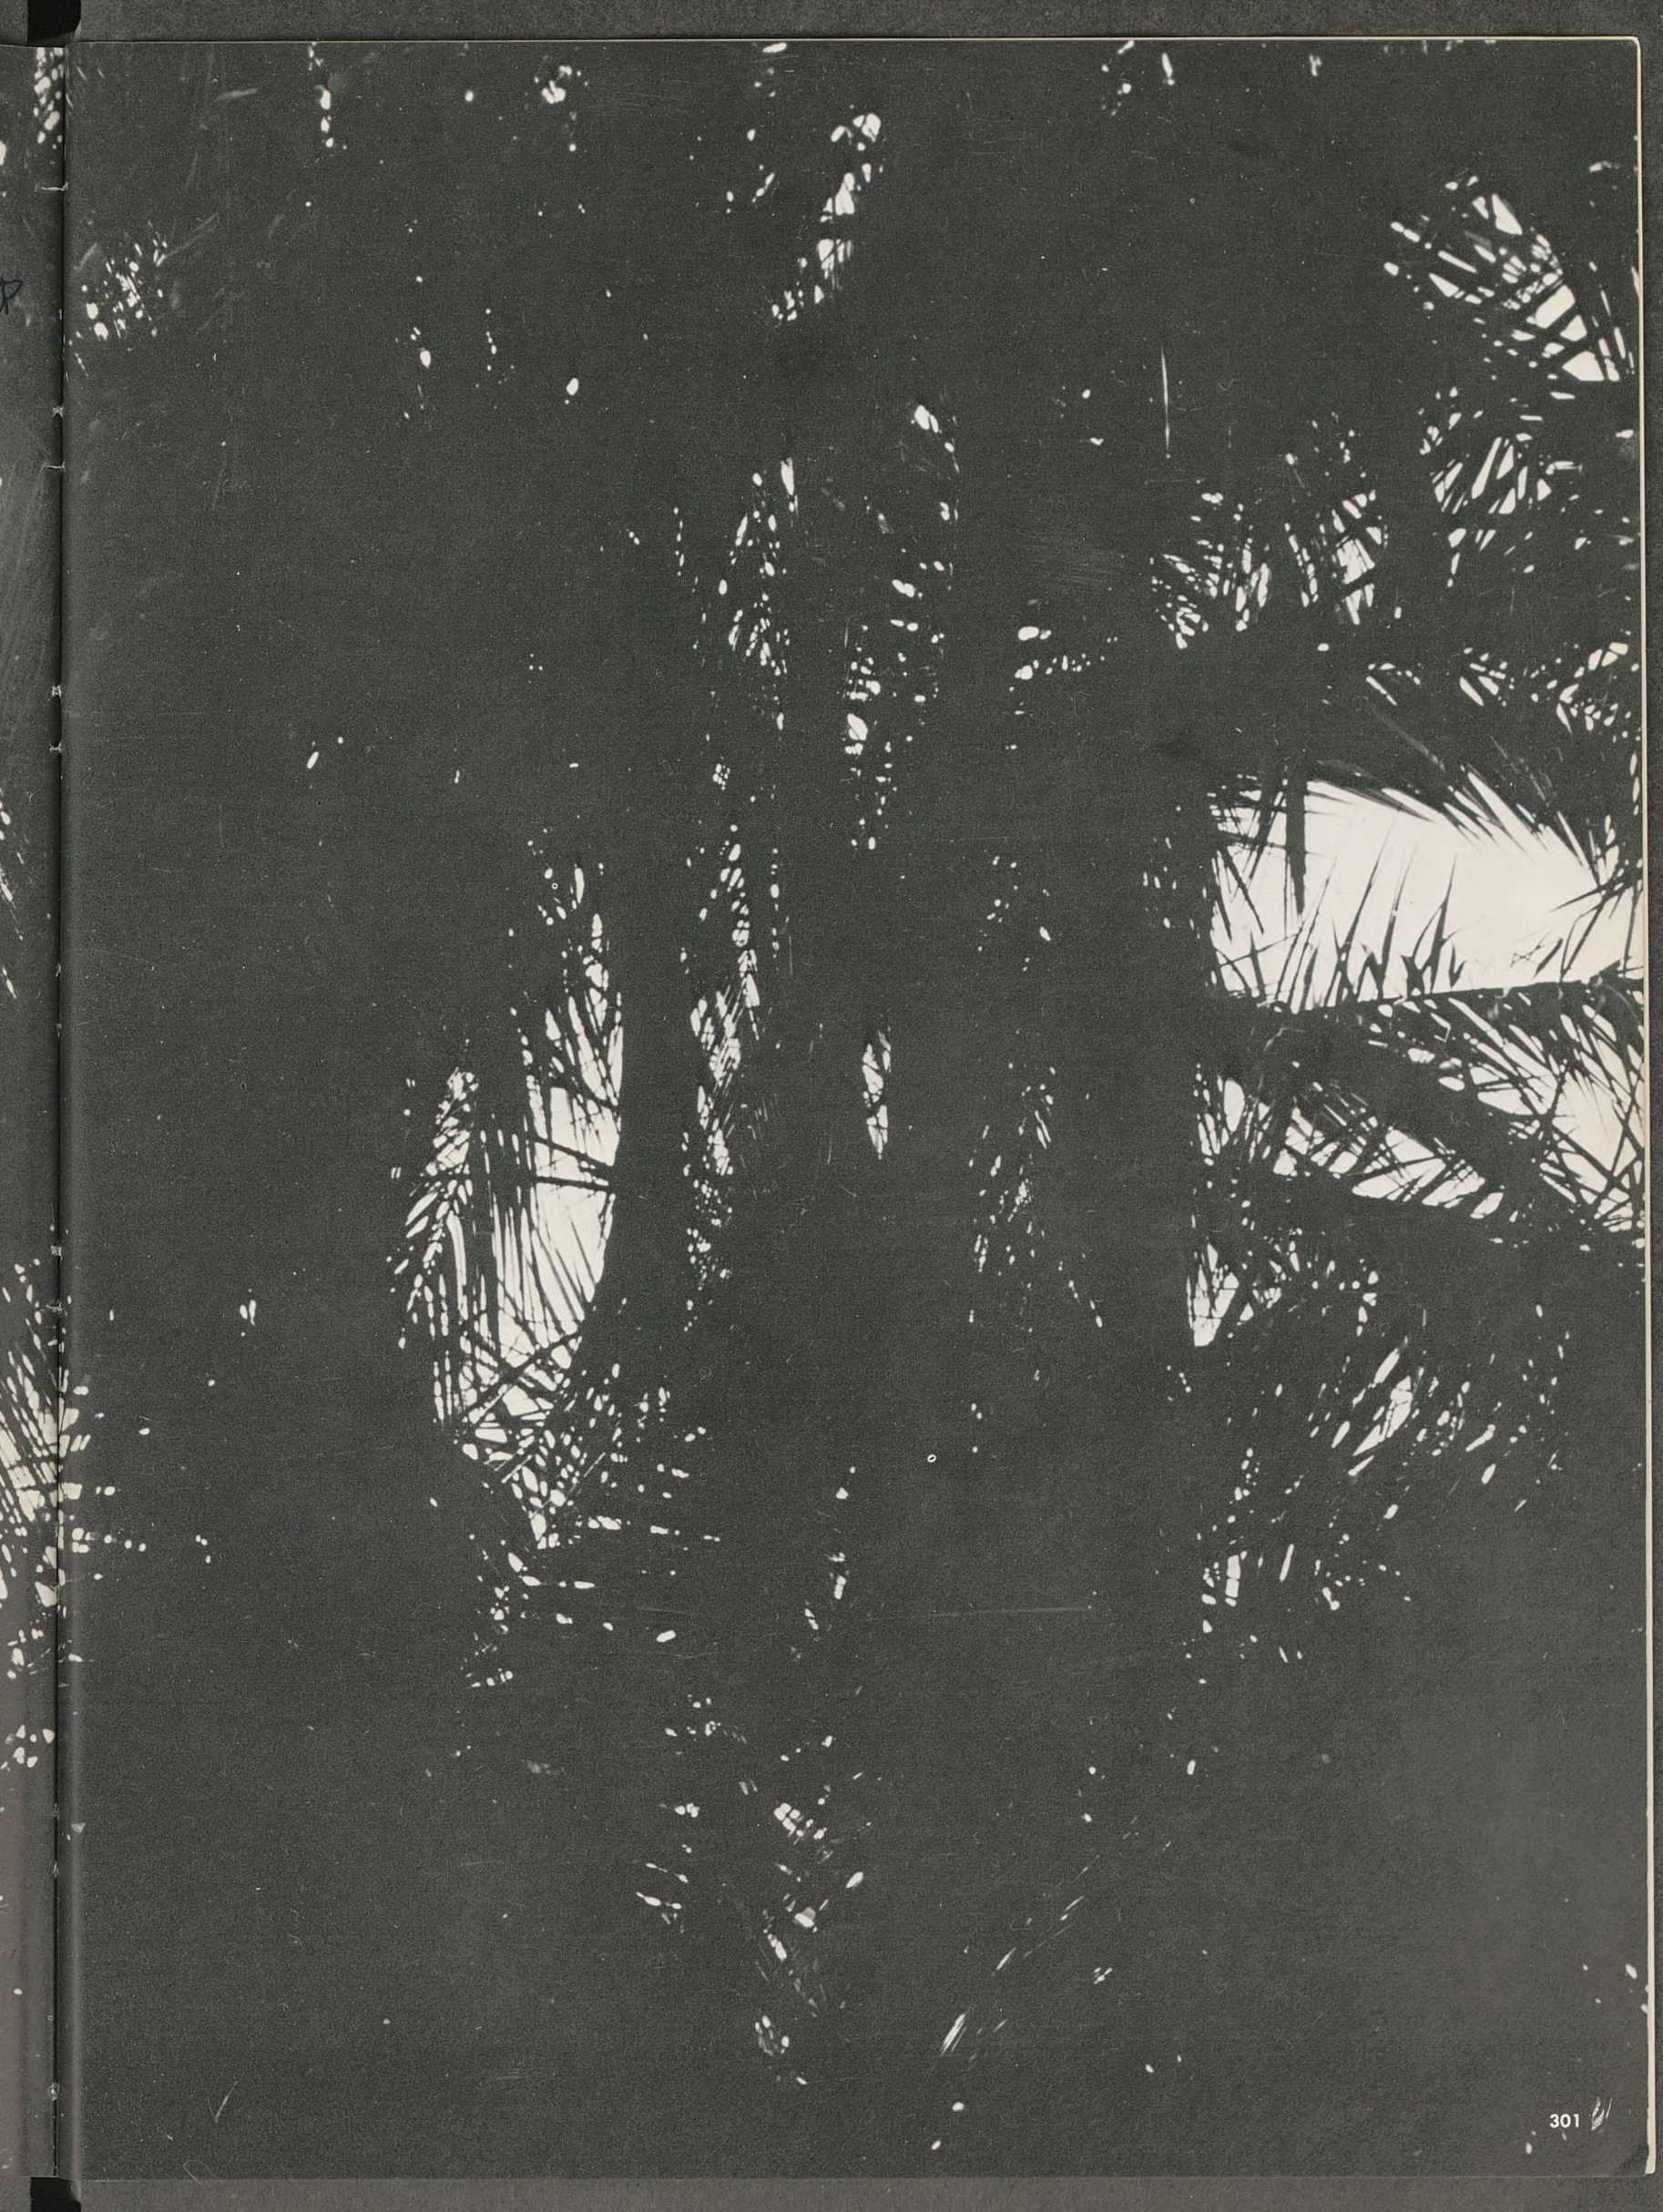

good luck always,
especially in Jonnadoetto's,
and every thing else ya
attempt to try. Don't change

any over the summer, just stay as sweet
and nice as ya are
Love ya
Linda

Man's destruction of nature's
creations to make way for
progress can only lead to the
destruction of man himself.

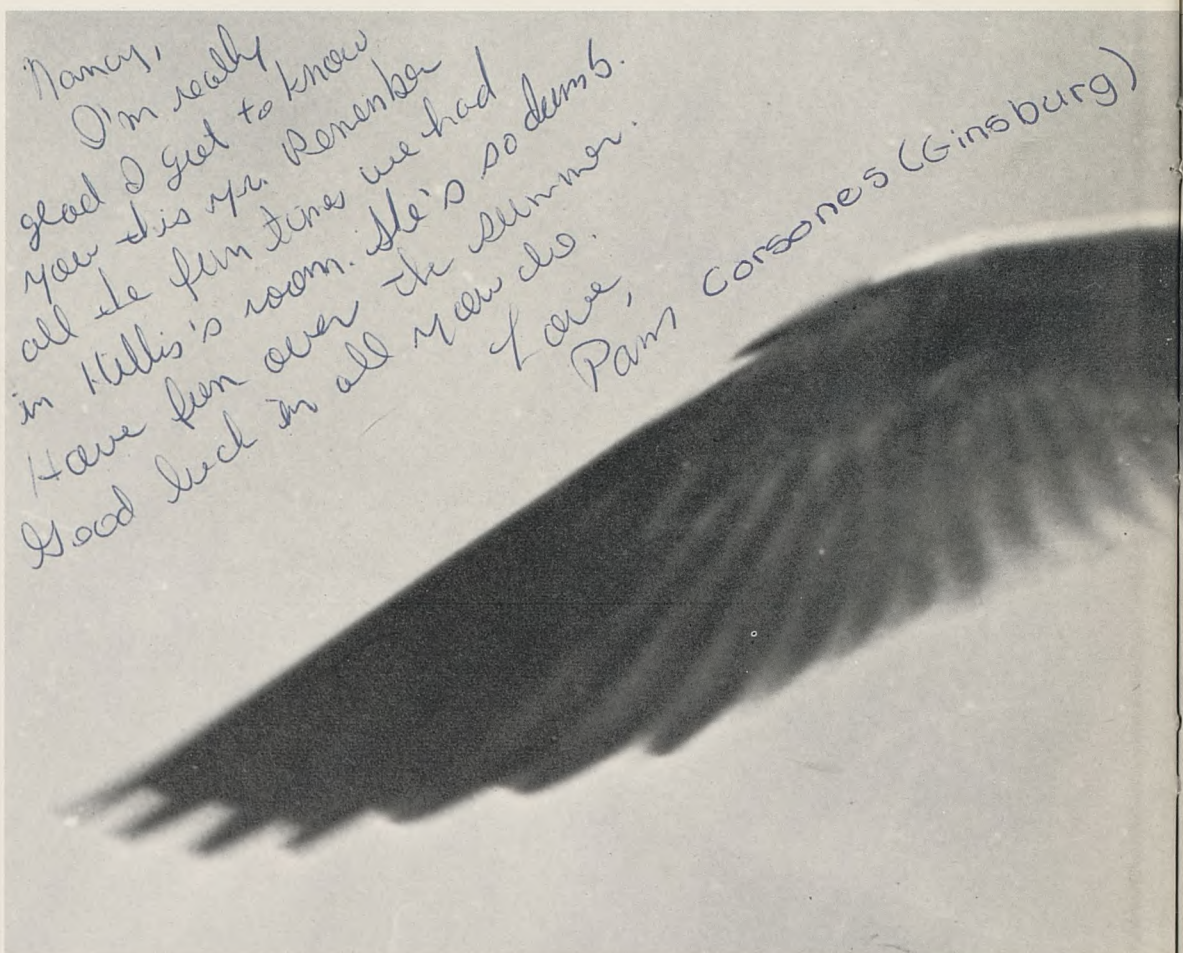

Awareness.

Relief comes not from
closing our eyes, but from
awakening to the real life.

Nancy,
 I'm really
 glad I get to know
 you this yr. Remember
 all the fun times we had
 in Hillis's room. He's so dumb.
 Have fun over the summer.
 Good luck in all you do.
 Love,
 Pam Corsones (Ginsburg)

Nature Responded To Our Queries

In a modernized, industrialized, mechanized age of manmade wonders, it is peaceful to reflect upon the obvious beauty that is nature's own.

This year's Aqua Clara staff searched nature's beauties in an effort to find just that. We took notice of the simple pleasures and engraved our ideas permanently in words and pictures. Close to deadlines, our afternoons and evenings were spent with mounds of pictures, purple layout sheets, tangerines, George Harrison, Budman, and McDonald's.

Yet our thoughts could not have taken shape without the unselfish devotion and untiring help of our parents, friends, community businesses, the Bryn Alan boys, the University of Florida Seminole, and the Clearwater Sun. I extend a special thanks to Pete Johnson and Red Huber of the St. Petersburg Times for their outstanding photographs.

My deepest appreciation goes also to our chief student photographer, Steve Hackbarth, and his crew of assistants: Richard Roy, Richard Radloff, Scott Stevens, George Woodward, (and Elayne Kinloch).

To our understanding, patient, consoling, and humorous advisor, Mr. Tom Pierce, go my greatest admiration and warmest thanks.

The Aqua Clara staff has revealed treasured moments of '70-'71, now only memories to the reader. To the staff these events also held special significance:

"We're putting out a yearbook at 3 a.m. and I have a car. Who marked Joe Namath up on the Aqua Clara door? I don't know where #214 came from. See Pierce-man. That's all we need is another Fivecoat visit. Where's the rooster? But I can't type! Rip it! That's not kosher. John!! It's not my fault. Lynn!! Cut the cute stuff. OK, chief! OK, flunkie!

Nancy,
You're really a great
chic, and I'm sorry that
we had our differences,
but I hope they're far-
gotten + forgiven. Nancy,
I wish you all the luck
in the world - but most
of all I wish you leave
- leave with love you'll
have happiness, and I
hope you're always
happy. Take care this
summer + try to be
good.

Dear Nancy,
I have really enjoyed knowing you.
Maybe will take that swim yet -
Best wishes, always. Mrs. Casey

Nancy
Well we made
it through the year
and I hope you liked
your first year at C.H.S.
I'm glad to meet you through
very in 5th Class in the Future
Good Luck in the Future
John

I hate signing yearbooks!

It was fun meeting you this year. I'll never forget how friendly you were and dumb John couldn't remember what your name was. Remember, playing time bomb after "Don't Drink the Water" and my name showings through the flats. What a mess — and I wasn't even on the crew! Well, good luck, etc, etc. John

Schaub

Nancy.

I guess we had a pretty good year in algebra, all we ever did was talk! Nothing could be better. I hope we can get together sometime this summer in our boats and rip up the Bay.

Gary Holland

Nancy,
To a good looking
chick who I've
had the pleasure
of know-in for just
one day. Please, I hope,
Jeff Bender

Nancy,
I'm really not
sure how I got
to know you but
I think if had
something to do with
Julie. You're a good
kid and I hope you
stay that way.
Booby

I love Bill
 I love good & luck to you to
 I hope you have fun the
 summer. Hope you are in my
 class next year. you really a nice
 guy you really getting out of people the way
 it goes right. on all good & luck to you to
 come.

Nancy,
It's really
been an out-for
year - especially the
2nd semester in speech. Doing
the play was really great.
But those performances isn't that
a little too much. Oh well - it was fun.
Be good + all that stuff. Peace.
Love,
Polly
Sullivan

Nancy,
You have a very
bright future. Keep
the lovely personality
always. ^{in Bull}

Nancy, I'm really glad I got to
know you this year in
Am. Lit. I'm so glad to
see you got tornadoettes
I know you'll have
loads of fun. At least
I know I did. See you
next year. Linda Carrough

Nancy,
It turned out to be
a pretty good year.
We've had some good
times together. I'll never
forget some of them. I'll
see ya this summer.

Love
Melanie
Miller '73

Nancy,
What can I say?? It's
been a fantastic year
for me and I hope
for you too. I know
you'll never forget our
"exciting" algebra class.
I hope it wasn't quite
as boring for you as it
was for me! You're really
a nice kid and I hope
you never change. Remember,
the smile you give out is
always returned...

Love,
Mercedith

Weiss

Nancy -
So, you think
you're so smart -
working on the
senior class
play and you're
not a SENIOR!!!
Boo! hiss!!
(Just kidding)
It was fun.

I hope you can
keep the Masque
and Gavel spirit
going. It's neat.
(I can tell - after
6 plays.)
Anyway, take care,
and Peace.
Love,
Liam McNamee
